ASSIGNMENT

WHEREAS I/We, the below named inventor(s) (hereinafter referred to as Assignor(s)) have made an invention entitled:

**STABILISED PROTEIN COMPOSITIONS BASED
ON SEMIFLUORINATED ALKANES**

for which I/We filed an application for United States Letters Patent on July 22, 2014, assigned U.S. Patent Application No. 14/373,877 (I/We hereby authorize and request the attorneys at Hoxie & Associates LLC to insert the filing date and application number when known), which is the National Stage Entry under 35 U.S.C. § 371 of International Application No. PCT/EP2013/051163, filed on January 22, 2013, which claims priority to European Patent Application No. 12152159.5, filed on January 23, 2012; and

WHEREAS, Novalliq GmbH, having an address of Im Neuenheimer Feld 515, Heidelberg, Germany 69120, (hereinafter referred to as Assignee), is desirous of securing the entire right, title, and interest in and to this invention in all countries throughout the world, and in and to the application for United States Letters Patent on this invention and the Letters Patent to be issued upon this application;

NOW THEREFORE, be it known that, for good and valuable consideration the receipt of which from Assignee is hereby acknowledged, I/We, as Assignor(s), have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto the Assignee, its lawful successors and assigns, my/our entire right, title, and interest in and to this invention, and this application, and all divisions and continuations thereof, and all Letters Patent of the United States which may be granted thereon, and all extensions, renewals, reissues, and reexaminations thereof, and all rights to claim priority on the basis of this application, and all applications for Letters Patent which may hereafter be filed for this invention in any country, and all divisions and continuations thereof, and all Letters Patent which may be granted on this invention in any country, and all extensions, renewals, reissues, and reexaminations thereof; and I/We hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any foreign country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for this invention to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, I/WE HEREBY covenant that I/We have the full right to convey the interest assigned by this Assignment, and I/We have not executed and will not execute any agreement in conflict with this Assignment;

AND, I/WE HEREBY further covenant and agree that I/We will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to me/us respecting this invention, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to this invention in said Assignee, its successors or assigns, execute all divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent

protection for this invention in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by the Assignee, its successors and assigns.

IN TESTIMONY WHEREOF, I/We have hereunto set our hands.
