PATENT ASSIGNMENT

between the undersigned

Nicox SA

Company registration number: Grasse 403.942.642
2405 route des Dolines – Drakkar D
06560 – Valbonne – France

hereinafter referred to as **Assignor**
on the one part, and

Nicox Science Ireland

Company registration number: 546.208
Riverside One
Sir John Rogerson's Quay
Dublin 2 - Ireland

hereinafter referred to as **Assignee**

on the other part.

WHEREAS

The Assignor is the owner of the issued patents and patent applications listed on Schedule 1 and desires to assign the entire right of property in the above identified patents and patent applications to the Assignee, who accepts.

THEREFORE, THE PARTIES DECLARE:

The Assignor assigns to the Assignee, who accepts, the entire right of property, title and interest, to and under the issued patents and patent applications listed on Schedule 1 and the inventions disclosed and claimed therein, together with all: (i) patents which may issue from any listed application ; (ii) divisionals, continuations, continuations-in-part, reissues, re-examinations and extensions of the listed patents and patent applications; (iii) the right to claim for any of the listed patents and patent applications the full

PATENT

REEL: 033842 FRAME: 0366

benefits and priority rights under International Conventions; iv) the right to bring suit to enforce any patents and patent applications listed on Schedule 1 against past, present and future infringing activities.

The Assignor further agrees to execute upon the request of the Assignee any assignment paper or other document reasonably necessary to evidence the assignment of the rights hereunder to the Assignee, and agrees to cooperate with the Assignee in all other matters relating to the assignment of these rights to the assignee.

As a consideration for this Assignment, the amount of € 260,765 (*two hundred and sixty thousand seven hundred and sixty five euro*) has been agreed, which amount the Assignor declares having received, and for which the present Assignment is a receipt in full.

By virtue of the present Assignment, the Assignee succeeds to all rights and privileges, which were acquired by the Assignor in connection with the above-identified patents and patent applications.

Executed on: *Sept. 5th, 2014*

Name: Michele Garufi

Title: Chairman and CEO of Nicox SA

Name: Michele Garufi

Title: CEO of Nicox Science Ireland
