PATENT ASSIGNMENT AGREEMENT

This AGREEMENT is made this 25 day of August, 2014 by and between Dr. Raouf Albert Guirguis with addresses at 278 E. Division, Fond Du Lac Wisconsin 54935 and LAMINA EQUITIES CORP a Nevada Corporation with offices located C/O NVRA P.O. Box 20470, Carson City, Nevada 89721 ("Assignee"), (both of which shall be collectively referred to as the "Parties").

WHEREAS, Assignor has invented the integrated Screening and Confirmation Device (the "Invention"), has been granted a United States Patent for said invention, Patent No.7,879,623 B2 (the "Patent"), granted on the patent application filed with the United States Patent and Trademark Office. Patent Application Number 12/975,471 a Continuation of US Patent No. 7,879,623 (the "Patent Application");

And

WHEREAS, Assignee wishes to acquire all rights, title, interest and liabilities in the Patent, and Assignor wishes to transfer and assign all of its interests and liabilities in the Patent to Assignee. NOW THEREFORE, in consideration of the mutual promises, covenants, warranties, and other good and valuable consideration set forth herein, the Parties agree as follows:

1. Assignment. Assignor hereby assigns to Assignee, and its respective successors, representatives and assigns, all rights, title, interest and liabilities in the Patent including all reexaminations, extensions and reissues thereof. Assignor hereby requests the Commissioner of Patents of the United States to record this assignment of all right, title and interest in the Patent to Assignee.

2. Payment. In consideration of the assignment of the Patent pursuant to this Agreement, and of the promises and covenants contained herein. Assignee shall pay to Assignor a fee in the amount of Ten Dollars in United States Currency (US \$10.00) payable upon execution of this Patent Assignment Agreement.

3. Assignor's Representations and Warranties. Assignor hereby represents and warrants that it has the legal right and authority to execute this Agreement, and to validly assign the entire interest and any liabilities in the Patent to Assignee. Assignor further represents and warrants that it has not executed any other agreement that would conflict with the terms of this Agreement, nor shall it execute any such agreement in the future.

4. Further Actions. Assignor hereby agrees to execute any further agreements and to take any further actions necessary to aid Assignee in perfecting its interest in the Patent and in enforcing any and All protections or privileges deriving from the Patent.

5. Governing Law. This Agreement shall be construed in accordance with, and governed in all respects by, the laws of the Commonwealth of Virginia, without regard to conflicts of law principles.

6. Counterparts. This Agreement may be executed in several counterparts, each of which shall constitute an original and all of which, when taken together, shall constitute but one

agreement.

7. Severability. If any part or parts of this Agreement shall be held unenforceable for any reason, the remainder of this Agreement shall continue in full force and effect. If any provision of this Agreement is deemed invalid or unenforceable by any court of competent jurisdiction, and if limiting such provision would make the provision valid then such provision shall be deemed to be construed as so limited.

8. Notice. Any notice required or otherwise given pursuant to this Agreement shall be in Writing and mailed certified return receipt requested postage prepaid, or delivered by overnight delivery service addressed as follows:

If to Assignor:
