ASSIGNMENT

WHEREAS, I, **Steve Molbach**, a citizen of the United States, resident of Ballwin, State of Missouri, whose full post office address is 1147 Oak Borough, Ballwin, Missouri 63021 have invented certain improvements in **Robotic Tire Changer User Interaction Procedures For Safety and Convenience** for which I am about to make, and have this day executed, application for Letters Patent of the United States, identified as Attorney's Docket No. **HE E331US**, filed on **October 4, 2013**, and assigned U.S. Patent Application Serial No. **61/887,035**;

AND, WHEREAS, Hunter Engineering Company, a Missouri Corporation, with offices at 11250 Hunter Drive, St. Louis, Missouri 63044, is desirous of acquiring the entire right, title and interest in and to said improvements in **Robotic Tire Changer User Interaction Procedures For Safety and Convenience** and all patent rights therefor;

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, I, said **Steve Molbach**, hereby sell, assign, transfer and set over unto said Hunter Engineering Company the entire right, title and interest in and to said improvements, and in and to all Letters Patent and patent rights which may be granted or issued for said improvements, in the United States and all foreign countries, and any reissue, reexamination, continuation, continuation-in-part, division, or extension thereof, the same to be held and enjoyed by said Hunter Engineering Company, a corporation, its successors and assigns, as fully and entirely as the same would have been held and enjoyed by us if this Assignment and sale had not been made; and I agree to execute such further applications, powers of attorney, assignments and other documents as may be necessary or desirable to effectuate this Agreement.

AND I DO HEREBY authorize and request the Commissioner of Patents and Trademarks to issue that said Letters Patent, when granted, to the said Hunter Engineering Company, a corporation, its successors and assigns, as assignees of the entire right, title and interest in and to said improvements, for the sole use and behoof of said Hunter Engineering Company, a corporation, and for its successors and assigns, to the full ends of the terms for which Letters Patent may be granted.

AND I further grant to Hunter Engineering Company, a corporation, its successors and assigns, the right to claim for any application for patent for said improvements the full benefit of any international agreement between the United States and any foreign country or countries.

AND Assignee's attorney is hereby authorized to insert in this Assignment the Serial No. and filing date of said application, when advised thereof, as follows:
