PATENT ASSIGNMENT

This Patent Assignment is made by SPF Tech, LLC, a Hawaii limited liability company ("***Seller***"), in favor of CoLabs Intl Corp, a Nevada corporation (the "***Buyer***").

Whereas, Seller is the owner of the inventions described in the patents and patent applications listed in the attached Exhibit A (the "***Patents***"); and

Whereas, Buyer desires to acquire the Patents.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby expressly acknowledged, Seller hereby sells, assigns and transfers to Buyer, Seller's entire right, title and interest in and to the Patents throughout the United States of America and all territories and possessions thereof, for all foreign countries and under all international agreements, and all other patents or applications hereafter filed in the United States, in any other country, or under any international agreement claiming priority to the Patents, and all Letters Patent granted thereon by the United States, by any other country or under any international agreement, and Seller does hereby authorize and request the Commissioner of Patents and Trademark to issue said U.S. Letters Patent to Buyer. Seller further grants to Buyer, its successors and assigns, the right to claim for any of said Patents the full benefits and priority rights of any international agreement between the United States and any foreign country or between any other countries, to the full extent of the term for which a patent may be granted therefore, together with the inventions described in the Patents, as fully and entirely as the same would have been held by Seller had this assignment not been made. Seller further grants to Buyer, its successors and assigns, Seller's entire right, title and interest in and to any and all claims and demands it may have, at law or in equity, for past infringement of the Patents.

In witness whereof, Seller has caused this Patent Assignment to be executed by its duly authorized representative as of the date indicated below.
