ASSIGNMENT

WHEREAS, we, **Paul Garrity** of 1830 Kelly Lane, Rockwall, Texas 75087, and **Aaron Jungreis** of 30 Golomb St., Apt. #2, Ra'anana 43302, ISRAEL, have invented certain new and useful improvements in a

SMART GRID POWER CONVERTER

for which we are about to make application for Letters Patent in the United States with said U.S. Application claiming priority of U.S. provisional patent application Serial No. 61/887863, filed October 7, 2013; and

WHEREAS, **Garrity Power Services LLC**, a limited liability company duly organized under the laws of the State of Texas, and having its principal place of business at 1830 Kelly Lane, Rockwall, Texas 75087, is desirous of acquiring an interest in, to, and under said invention, said Application and any and all Letters Patent which may be granted for or upon said invention in the United States of America and all countries foreign thereto.

NOW, THEREFORE, to all whom it may concern be it known that for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we, **Paul Garrity** and **Aaron Jungreis**, as inventors, have sold, assigned and transferred, and by these presents do sell, assign and transfer unto said **Garrity Power Services LLC**, the full and exclusive right, title, and interest, throughout the world, in, to, and under the following:

- (a) said invention as fully set forth and described in the specification prepared and executed by me on even date herewith preparatory to obtaining Letters Patent of the United States therefor and identified under attorney Docket No. **45735**
- (b) said Application;
- (c) any and all filings, divisional, and continuations of said Application;
- (d) any and all Letters Patent of the United States of America that may issue from said

Application, refilings, divisions, and continuations:

(e) any and all reissues of said Letters Patent of the United States of America;

(f) any and all applications for Letters Patent on said invention that may hereafter be filed in any and all countries foreign to the United States of America, together with all rights to file and to claim priority in connection with said foreign-filed applications;

(g) any and all refilings, divisions, and continuations of said foreign-filed applications;

(h) any and all Letters Patent of countries foreign to the United States of America that may issue from said foreign-filed applications, refilings, divisions, and continuations; and

(i) any and all extension of, and additions to, said Letters Patent of countries foreign to the United States of America.

ALL of the above shall be held and enjoyed by said **Garrity Power Services LLC** for its own use and behoof, and for its successors, legal representatives, and assigns, to the full end of the term for which said Letters Patent may be granted, and we do hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent in accordance with this Assignment.

Assignor(s) further agree to execute all paperwork and provide any other requested, non-monetary assistance in procuring, perfecting, enforcing, and/or defending Assignee's rights in the rights assigned herein.

Executed this 7th day of October, 2014.
