ASSIGNMENT

WHEREAS, We, Frank M. Caimi, residing at 6550 Martinique Way, Vero Beach, FL 32967, and Mark T. Montgomery, residing at 515 Sunset Boulevard, Melbourne Beach, FL 32951, and Mark W. Kishler, residing at 1878 Auburn Lakes Dr., Rockledge, FL 32955, and Robert Giometti, residing at 2128 Birchwood Lane, Buffalo Grove, IL 60089, and John Marshall, residing at 4242 Quail Run Dr, Danville, CA 94506, hereinafter called the "Assignor(s)", have made the invention described in the United States Patent Application entitled ANTENNA STRUCTURES AND METHODS THEREOF THAT HAVE DISPARATE OPERATING FREQUENCY RANGES; Attorney Docket No. 2014-04_5000-0169, US Patent Application no. 14/338,090, for a full description of which reference is here made to an application for Letters Patent of the United States filed on herewith and,

WHEREAS, Skycross, Inc., a corporation organized and existing under and by virtue of the laws of the State of DE, having a place of business at 2025 Gateway Place, Suite 385, San Jose, CA 95110, hereinafter called the "Assignee", desires to acquire the entire right, title and interest for the United States of America and elsewhere throughout the world in and to said invention and the patent application identified above, including any and all divisions and continuations thereof and any and all Letters Patent which may be granted thereon, including any and all renewals, reissues and prolongations thereof.

NOW, THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, the receipt of which by the Assignor(s) from the Assignee is hereby acknowledged, the Assignor(s) have sold, assigned and transferred, and by these presents do sell, assign and transfer to the Assignee, the entire right, title and interest for the United States in and to the invention and the patent application identified above, and any patents that may issue for said invention in the United States; together with the entire right, title and interest in and to said invention and all patent applications and patents therefor in all countries foreign to the United States, including the full right to claim for any such application all benefits and priority rights under any applicable convention; together with the entire right, title and interest in and to all continuations, divisions, renewals and extensions of any of the patent applications and patents defined above; to have and to hold for the sole and exclusive use and benefit of the Assignee, its successors and assigns, to the full end of the term and terms for all such patents.

AND said Assignor(s) hereby covenant and agree, for both the Assignor(s) and the Assignor(s)' legal representatives, that the Assignor(s) will assist the Assignee in the prosecution of the patent application identified above; in the making and prosecution of any other patent applications that the Assignee may elect to make covering the invention identified above; in vesting in the Assignee like exclusive title in and to all such other patent applications and patents; and in the prosecution of any interference which may arise involving said invention, or any such patent application or patent; and that the Assignor(s) will execute and deliver to the Assignee to carry out the terms of this Assignment. Assignor(s) authorize the Assignee, any agent of the Assignee, and any attorney of the Assignee to fill in the U.S. Application Serial No. above, and any further identification information, if required.

AND said Assignor(s) authorize and request the Commissioner of Patents to issue Letters Patent on said application, and on all divisions and continuations thereof, to said Assignee, its assigns and legal representatives, in accordance with the terms of this Assignment.

This Assignment may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed an original, and such counterparts together shall constitute one and the same instrument. A facsimile copy of this Assignment, or any form of an electronic copy of this Assignment, including the signature pages hereto, shall be deemed to be an original.
