ASSIGNMENT

WHEREAS, We, Valts Treibergs, Aaron Magnuson, Sergey Yakushev and Scott Hanson, made certain new and useful inventions and improvements for which we filed an International Patent Application on MARCH 14, 2013, which application was assigned International Patent Application Number PCT/US2013/031240.

AND WHEREAS, XCERRA CORPORATION, having an office and place of business at 825 University Avenue, Norwood, Massachusetts 02062, (hereinafter "Assignee"), is desirous of acquiring the entire right, title and interest in and to said inventions, improvements and application and in and to any Letters Patent to be obtained therefor;

NOW, THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, the receipt and sufficiency whereof are hereby acknowledged, we hereby sell, assign, transfer and set over unto said Assignee, including its successors and assigns, our entire right, title and interest to all inventions disclosed in the aforesaid application(s), including all rights to claim priority therefrom, and to any and all present or future patent applications to such inventions filed in the United States or any other country or region, inclusive of, but not limited to, all divisions, continuations, continuations-in-part, renewals thereof, substitutions, reexaminations, reissues, provisional patent applications, applications filed under the Patent Cooperation Treaty, certificates of addition, utility models, and petty patents, as well as all other intellectual property related to the applications, inclusive of, but not limited to, supplementary protection certificates, and to any and all Letters Patents and any related patent term extensions that may be granted for said Letters Patents with respect to the applications; all of the above to be held by Assignee as fully and entirely as the same would have been held by us had this Assignment not been made.

IN TESTIMONY WHEREOF, I have hereunto set my hand this 13 day of October, 2014.
