ASSIGNMENT

For value received, I, the undersigned have agreed and hereby agree to assign to **Stantec Technology International Inc.**, having a place of business at 10160-112 Street, Edmonton, Alberta T5K 2L6, in furtherance of my obligations to **Stantec Technology International Inc.**, and do hereby assign and transfer to **Stantec Technology International Inc.**, its successors, and assigns my right, title and interest, including the right of priority, in, and to and under an application for Letters Patent of the United States entitled:

MICROMONITORING APPARATUS AND METHOD

Filing date: June 27, 2012

Application Number: 13/534,106

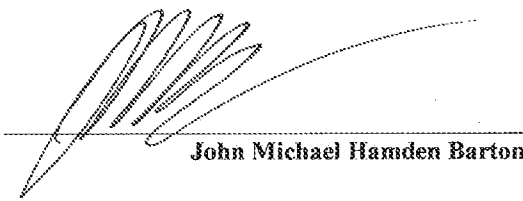

and executed on even date herewith the invention(s) and improvement(s) set forth therein, and any and all continuations, continuations-in-part (CIPs), divisionals, and renewals of and substitutes for said application for said Letters Patent, and any and all Letters Patent of the United States and of countries foreign thereto including the right of priority under the International Convention which may be granted thereon or therefore; and any reissues, or reexaminations, or extensions of said Letters Patent.

I additionally authorize **Stantec Technology International Inc.** to file applications in my name for Letters Patent in any country, to be held and enjoyed by **Stantec Technology International Inc.**, its successors, assigns, nominees or legal representatives, to the full end of the term or terms for which said Letters Patent respectively may be granted, reissued or extended, as fully and entirely as the same would have been held and enjoyed by me had this assignment, and transfer not been made;

And I convey my entire interest herein assigned, and will not knowingly or willfully execute any agreement in conflict herewith, and I further agree that I will, each time a request is reasonably made, and without unreasonable delay, execute and deliver all such papers as may be reasonably and lawfully necessary to perfect the title to said invention(s) or improvement(s), said application and said Letters Patent to **Stantec Technology International Inc.**, its successors, assigns, nominees or legal representatives, and I agree upon request to communicate to **Stantec Technology International Inc.**, or to its nominee, all known facts respecting said invention(s) or improvement(s) said application and said Letters Patent and to aid **Stantec Technology International Inc.**, its successors, assigns, nominees and legal representatives to obtain and enforce, for its or their own benefit, proper patent protection for said invention(s) or improvements(s) in any and all countries. **Stantec Technology International Inc.** agrees that Assignor will receive reasonable compensation for time spent responding to such requests;

And I hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any country or countries foreign to the United States whose duty it is to issue patents on applications as aforesaid, to issue to **Stantec Technology International Inc.**, as assignee of the entire right, title and interest, any and all Letters Patent for said invention(s) or improvement(s), including any and all Letters Patent of the United States which may be issued and granted on or as a result of the application aforesaid, in accordance with the terms of this Assignment.
