Recital

The Assignor has agreed to assign all its rights in US Patent No US7651981 (herein referred to as "the Patent") to the Assignee on the terms set out in this assignment.

1. Assignment

- 1.1 In consideration of £10 (ten pounds sterling), receipt and sufficiency of which is hereby acknowledged by the Assignor, the Assignor hereby assigns to the Assignee all its right, title and interest in and to the Patent, and in and to all and any inventions disclosed in the Patent, including, without limitation:

- 1.1.1 in respect of each and any invention disclosed in the Patent, the right to file an application, claim priority from such application, including the right to make national entries under the Patent Cooperation Treaty, and all divisions, continuations and continuations-in-part of such applications, and to prosecute and obtain grant of a patent or similar protection in or in respect of any country or territory in the world;
- 1.1.2 the right to extend to or register in or in respect of any country or territory in the world the Patent.

- 1.1.2 the right to extend to or register in or in respect of any country or territory in the world the Patent.
- 1.1.3 the absolute entitlement to all reissues and renewals of the Patent; and
- 1.1.4 the right to bring, make, oppose, defend, appeal proceedings, claims or actions and obtain relief (and to retain any damages or other compensation recovered) in respect of any infringement, or any other cause of action arising from ownership, of the Patent whether occurring before, on or after the date of this assignment.

2. Further Assurance

- 2.1 The Assignor hereby covenants with the Assignee that it shall at any time hereafter at the direction and expense of the Assignee execute any document or do any act or thing which the Assignee may consider reasonably necessary or desirable to give effect to this assignment and to register the Assignee or any successor in title thereof as proprietor of the Patent.
