ASSIGNMENT

For good and valuable consideration, the receipt of which is hereby acknowledged, the undersigned:

Inventor Name:	Address:
J. Richard Myers	607 W. California Boulevard, Pasadena, CA 91105-2414

hereby sell(s) and assign(s), to **Ever Venture Solutions, Inc.**, a company having a place of business at 2 Peters Canyon Road, Suite 100, Irvine CA 92606, its successors and assigns, as **ASSIGNEE**, the entire worldwide right, title and interest in and to:

i) the invention(s) and/ or improvement(s) entitled:

TITLE	FIELD-SERVICEABLE FLAT PANEL LIGHTING DEVICE
-------	--

for which a patent application is filed concurrently herewith;

ii) said patent application;

iii) any and all claims for priority under Related Applications, said Related Applications including U.S. patent application number 14/248197 filed on April 8, 2014; U.S. provisional patent application number 61/917,102 filed on December 17, 2013; and U.S. provisional patent application number 61/812,973 filed on April 17, 2013; provided however that the present Assignment does not affect my prior assignment of the Related Applications to Pixi Lighting, Inc., an affiliated company of ASSIGNEE.

iv) any and all related patent application(s) in the United States or a country foreign thereto, including continuations, continuations-in-part, divisionals, conversions, renewals, substitutes, reissues, reexaminations, extensions, non-provisional applications, convention, international (e.g., Patent Cooperation Treaty (PCT) and other applications based in whole or in part upon said invention(s) or upon said application(s); and

v) any and all Letters patents, including renewals, reissues, certificates of reexamination and extensions thereof granted for said invention(s) or upon said application(s); and

vi) every other priority right that is or may be predicated upon or arise from the presently filed patent application.

I/We additionally authorize **Ever Venture Solutions, Inc.** to file in my/our name(s), or its own name, applications for patent in any country (by international convention, treaty or otherwise).

I/We also appoint **Ever Venture Solutions, Inc.** as my/our common representative to represent me/us before all the competent International Authorities in connection with any and all international applications.

I/We hereby authorize the Commissioner of Patents and Trademarks of the United States of America and the empowered officials of all other governments to issue any said patent to **Ever Venture Solutions, Inc.** in accordance herewith.

I/We hereby covenant that I/we have the full right to convey the entire interests herein assigned, and that I/we have not executed and will not execute any agreement in conflict herewith and that such assigned rights are not encumbered by any grant, license or other right previously given.

I/We agree that each time a request is made, and without undue delay, I/we will execute and deliver all such papers as may be necessary or desirable to perfect the title in and to the invention(s), said application(s) and said patent(s), to **Ever Venture Solutions, Inc.**, its successors and assigns.

I/We agree, without undue delay, to undertake all reasonable acts to assure that said invention(s), patent application(s) and patent(s) shall be held and enjoyed by **Ever Venture Solutions, Inc.** as fully and entirely as the same could have been held and enjoyed by the undersigned if this assignment had not been made, and particularly: to execute and deliver to **Ever Venture Solutions, Inc.** all lawful documents including petitions, specifications, oaths, declarations, powers of attorney, assignments, invention disclaimers and lawful affidavits in form and substance which may be requested by **Ever Venture Solutions, Inc.**; to furnish **Ever Venture Solutions, Inc.** with all facts relating to said invention(s) or the history thereof and any and all documents, photographs, models, samples or other physical exhibits that may be useful for establishing the facts of conception, disclosure and reduction to practice of said invention(s); and to testify in any proceedings relating to said invention(s), patent application(s) and patent(s).

I/We hereby sell, assign and transfer unto the Assignee the authority to revoke power(s) of attorney executed by me/us in connection with this application and to appoint a new power of attorney
