ASSIGNMENT

We, Michael I. Morkos of Brookline, Massachusetts and Jeffrey T. Samson of Boulder, Colorado, in consideration of One Dollar and other valuable consideration paid to us by

Cytonome/ST, LLC

a Limited Liability Company of Delaware, having its principal place of business at 27 Drydock Avenue, Boston, Massachusetts, 02210, the receipt of which is hereby acknowledged, do hereby sell, assign and transfer unto said

Cytonome/ST, LLC

its successors and assigns, the entire interest for the United States of America and all foreign countries including all rights of priority under the International Convention for the Protection of Industrial Property in a certain invention or improvement in

DROPLET SORTER

described in the following application:

☒ United States Provisional Application No. 29/491,124, filed on May 16, 2014

in the United States Patent and Trademark Office, and in all Letters Patent of the United States and all foreign countries which may or shall be granted on said invention, or any parts thereof, or on said application, or any divisional, continuing, reissue or other applications based in whole or in part thereon. And we agree, for ourselves and our executors and administrators, with said Company and its successors and assigns but at its or their expense and charges, hereafter to execute all applications, amended specifications, deed or other instrument, and to do all acts necessary or proper to secure the grant of Letters Patent in the United States and in all other countries to said Company, with specifications and claims in such form as shall be approved by the counsel of said Company and to vest and confirm in said Company, its successors and assigns, the legal title to all such patents.

And we do hereby authorize and request the Commissioner of Patents and Trademarks of the United States to issue such Letters Patent as shall be granted upon said application or applications based thereon to said Company, its successors and assigns.
