ASSIGNMENT

WHEREAS, Christopher McDONNELL, residing at 4 Bresson Farm Road, Sandy Hook, CT 06482, **Robert Leslie RICHARDS**, residing at 2720 State Street, Hamden, CT 06517, **Nicole Soo SROKA**, residing at 2720 Sentinel Hill Road, Derby, CT 06418, **Ernest N. CORRAO, Jr.**, residing at 6 Canaan Drive, Bethel, CT 06801, and **Ronald George LITKE, Jr.**, residing 7 River Edge Drive, Sandy Hook, CT 06482 (hereinafter referred to as Assignors); have made certain new and useful inventions, discoveries or improvements in

**WOVEN RETENTION DEVICES, SYSTEMS, PACKAGING, AND
RELATED METHODS,**

set forth in an application for Letters Patent in the United States filed September 16, 2014 as U.S. Application Serial No. 14/487,951; and

WHEREAS, Woven Orthopedics Technologies, LLC, organized under and pursuant to the laws of Connecticut, having its principal place of business 63 East Center St, Manchester, CT 06040 (hereinafter referred to as Assignee), is desirous of acquiring the entire right, title and interest in and to said invention and said application for Letters Patent, and in and to any Letters Patent of the United States and all foreign countries to be obtained therefore and therefrom.

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and sufficient consideration, the receipt of which is acknowledged, Assignors have sold, assigned, transferred and set over, and by these presents do sell, assign, transfer and set over, unto Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to the above-mentioned inventions, discoveries, and application for Letters Patent, and in and to any and all provisional rights or applications, direct or indirect divisions, continuations and continuations-in-part of said application, and any application claiming priority to said application, and any and all Letters Patent in the United States and all foreign countries which may be granted for said invention or application, and reissues, reexaminations and extensions of said Letters Patent, and in and to any and all priority rights, Convention rights including under the International Convention for the Protection of Industrial Property, and the right to

recover for past infringement, and other benefits accruing or to accrue with respect to the applications for patents or patents secured in the United States and other countries, the same to be held and enjoyed by Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns.

AND for the same consideration, Assignors represent and warrant to Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, Assignors are the sole and lawful owners of the entire right, title and interest in and to the said invention, and said application for Letters Patent and/or said applications above-mentioned, and that the same are unencumbered and that Assignors have good and full right and lawful authority to sell and convey the same in the manner set forth in this Assignment.

AND for the same consideration, Assignors covenant and agree to and with Assignee, its successors, legal representatives and assigns, that Assignors will sign all papers and documents, take all lawful oaths and do all acts necessary or required to be done for the procurement, maintenance, enforcement and defense of any Letters Patent and application for said invention, without charge to Assignee, its successors, legal representatives and assigns, whenever counsel of Assignee, or counsel of its successors, legal representatives and assigns, shall advise: that any proceeding in connection with said inventions or discoveries, or said application(s), or any proceeding in connection with any Letters Patent or applications for Letters Patent for said invention or discoveries in any country, including but not limited to interference proceedings, is lawful and desirable; or, that any provisional, conventional, division, continuation or continuation-in-part of any application for Letters Patent and any application claiming priority to said applications, or any reissue, reexamination or extension of any Letters Patent, to be obtained thereon, is lawful and desirable.

AND Assignors request the Commissioner of Patent and Trademarks to issue said Letters Patent of the United States to Assignee, as Assignee of said inventions or discoveries
