## ASSIGNMENT

WHEREAS, we, the undersigned,

Grant Elvis Phillips, a resident of New York, New York;  
Jason M. Guidici Pietro, a resident of Mountainside, New Jersey;  
Michael Marchionte, Jr., a resident of North Providence, Rhode Island;  
Joshua E. Stern, a resident of Somers, New York;  
Christopher J. Long, a resident of Rossmore, California;  
Alexander R. Kaplan, a resident of Culver City, California; and  
Jon T. Gieselman, a resident of Summit, California;

have invented a certain new "BOXING GLOVE" as shown and described in an application for a patent of the United States, having Application No. 29/461,623 and a filing date of July 25, 2013, and

WHEREAS, BKB GLOBAL, LLC (hereinafter termed "Assignee"), an organization of the State of Delaware, having a place of business at 2260 East Imperial Highway, El Segundo, California 90245, desires to acquire the entire right, title and interest in and to said application and the invention and design disclosed therein, and in and to all embodiments of the invention and design, heretofore conceived, made or discovered by us (all collectively hereinafter termed "said invention"), and in and to any and all patents, inventor's certificates and other forms of protection (hereinafter termed "patents") thereon granted in the United States and foreign countries.

NOW, THEREFORE, in consideration of good and valuable consideration, receipt and sufficiency of which is acknowledged by us to have been received in full from said Assignee:

1. We do hereby sell, assign, transfer and convey unto said Assignee, the entire right, title and interest (a) in and to said application and said invention; (b) in and to all rights to apply for foreign patents on said invention pursuant to the International Convention for the Protection of Industrial Property or otherwise; (c) in and to any and all applications filed and any and all patents granted on said invention in the United States or any foreign country, including each and every application filed and each and every patent granted on any application which is a division, substitution, or continuation of any of said applications; and (d) in and to each and every reissue or extensions of any of said patents.

2. We hereby covenant and agree to cooperate with said Assignee to enable said Assignee to enjoy to the fullest extent the right title and interest herein conveyed in the United States and foreign countries. Such cooperation by us shall include prompt production of pertinent facts and documents, giving of testimony, execution of petitions, oaths, specifications, declarations or other papers, and other assistance all to the extent deemed necessary or desirable by said Assignee (a) for perfecting in said Assignee the right, title and interest herein conveyed; (b) for prosecuting any of said applications; (c) for filing and prosecuting substitute, divisional, continuing or additional applications covering said invention; (d) for filing and prosecuting applications for reissuance of any said patents; (e) for interference or other priority proceedings involving said invention; and (f) for legal proceedings involving said invention and any applications therefor and any patents granted thereon, including without limitation opposition proceedings, cancellation proceedings, priority contests, public use proceedings, infringement actions and court actions; provided, however, that the expense incurred by us in providing such cooperation shall be paid for by said Assignee.

3. The terms and covenants of this assignment shall inure to the benefit of said Assignee, its successors, assigns and other legal representatives, and shall be binding upon us, our respective heirs, legal representatives and assigns.

4. We hereby warrant and represent that we have not entered and will not enter into any assignment, contract, or understanding in conflict herewith.

5. This Assignment may be executed in counterparts.
