ASSIGNMENT

Mio Soft Deutschland GmbH, a GmbH formed under the laws of Germany and having a principal place of business at Großer Grasbrook 9, Hamburg, Germany (the "Assignor") has acquired all of the right, title, and interest throughout the world in the subject matter (the "Subject Matter") of an application for United States Patent, entitled STRUCTURING DATA, filed March 15, 2013, U.S. Serial Number 13/841,730 (the "Application"), of Katharina Baumann, a named inventor, according to §§ 6 and 7 of the German Act on Employee Inventions.

According to the usual practices of the Assignor and MIOsoft Corporation, a corporation formed under the laws of Delaware and having a principal place of business at 33 E. Main Street, Suite 450, Madison, WI 53703, for valuable consideration, the receipt of which the Assignor acknowledges, and intending to be bound legally, the Assignor assigns to MIOsoft Corporation, and its successors, transferees, and assignees (collectively the "Assignee"), all of its individual and joint right, title, and interest throughout the world in the Subject Matter.

This Assignment assigns (a) the Application and all other applications that may be made for, and all patents, utility models, design registrations, and other rights of exclusion and inventors' certificates for, any of the Subject Matter (collectively the "Applications and Granted Rights") in every country or region, (b) the right to claim priority based on and the benefit of the filing date of any of the Applications and Granted Rights under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other applicable treaties or conventions, and (c) the right to pursue, collect, and retain in the Assignee's name or otherwise, damages and any other remedies arising from any past, present, or future infringement of the Subject Matter, the Applications and Granted Rights, and any other rights assigned by this Assignment.

The Assignor authorizes the Assignee to apply for and pursue protection for any or all of the Subject Matter, the Applications and Granted Rights, and any other rights assigned by this Assignment in all countries, regions, and territories of the world, in the Assignor's name or in the Assignee's name.

The Assignor represents and warrants that it has the right and power to make this Assignment and that the Assignor has not made and will not make any other assignment that conflicts with this Assignment.

The Assignor will communicate to the Assignee (or at the request of the Assignee to other parties) all known facts in any form relating to the Subject Matter, will execute and provide all oaths and declarations, statements, testimony, assignments, powers of attorney, applications, and documents, and will perform all other lawful acts necessary or desirable to secure fully to the Assignee the rights, titles, and interests assigned by this Assignment.

The Assignor hereby acknowledges the foregoing assignment.
