Chicago, Illinois 60637

Alice Cheng
5635 South Maryland Avenue, Apt. #1
Chicago, Illinois 60637

Dominique M. Missiakas
5628 South Blackstone Avenue
Chicago, Illinois 60637

Hwan Keun Kim
906 East 53rd Street, Apt. #1
Chicago, IL 60615

confirm our obligation to and hereby sell, assign and convey, unto Assignee, its successors and assigns, our entire right, title and interest -

(1) in and to an invention entitled COMPOSITIONS AND METHODS RELATED TO PROTEIN A (SpA) Variants for which a United States Non-Provisional Application was filed on December 28, 2012, as Application Serial Number 13/807,598, and claims the benefit of priority of PCT International Application Serial Number PCT/US2011/042845, filed on July 1, 2011, and claims the benefit of priority of United States Provisional Application Serial Number 61/361,218, filed on July 2, 2010, and also claims the

benefit of United States Provisional Application Serial Number 61/370,725, filed on August 4, 2010;

(2) in and to said United States patent application, in and to all other patent applications (including divisional, continuation, continuation-in-part, §111(b) provisional, §111(a), and reissue applications) based upon said invention, and in and to the patent or patents to be granted thereon, including reissues thereof, if any, to the full end of the term or terms for which said patent or patents may be granted; The effective date of this assignment is July 2, 2010;

(3) in and to all patent applications on said invention now or hereafter filed in countries foreign to the United States of America, and in and to any and all patents granted on said applications to the full end of the terms for which said patents may be granted; and

(4) under the International Convention in respect to the United States patent application and agree that any patent applications of any foreign countries which may be filed shall be filed in the name of my Assignee with a claim to priority based on said United States application.

And we hereby agree that we will, upon request of Assignee, its successors or assigns, and without further consideration to us, execute any and all papers that may be necessary, or deemed by Assignee, its successors or assigns, to be necessary, to a complete fulfillment of the intent and purposes of this Assignment, it being understood that any expense incident to the execution of such papers shall be paid by Assignee, its successors and assigns, and not by us.

And the Commissioner of Patents and Trademarks of the United States is hereby authorized and requested to issue said United States patent or patents to Assignee.
