## ASSIGNMENT AND AGREEMENT

For value received, we, OFS Fitel, LLC, having an office at 2000 Northeast Expressway, Norcross, Georgia 30071, U.S.A., hereby sell, assign and transfer to Google, Inc., having an office at 1600 Amphitheatre Parkway, Mountain View, California 94043, U.S.A., and its successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to certain inventions related to **HOUSING FOR AN OPTICAL FIBER DISTRIBUTION MODULE** with Application Number 29/464,932 filed August 22, 2013, described in an application for Letters Patent of the United States, executed by us of even date herewith, and all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions; and we also concurrently hereby sell, assign and transfer to Google, Inc. the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

We authorize Google, Inc. to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Google, Inc. to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

We request that any and all patents for said inventions be issued to Google, Inc. in the United States and to Google, Inc. in all countries foreign to the United States, or to such nominees as they may designate.

We agree that, when requested, we shall, without charge to Google, Inc. but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.

IN WITNESS WHEREOF, the undersigned has executed this Assignment and Agreement on its behalf by its duly authorized officer this 19<sup>th</sup> day of August, 2014.
