WHEREAS, We,

<i>Names and Addresses of Inventors</i>
Nancy Jack 49 Liberty Street Wilton, Ct 06897 and Jeffrey Busch 19 DeForest Rd Wilton, CT 06897

hereinafter referred to as the "Inventors", all residents of and citizens of the United States of America, have invented certain new and useful improvements in

<i>Title of Invention</i>
INSECT REPELLENT COMPOSITIONS

as described and set forth in applications for Letters Patent of the United States of America, including:

<i>Serial Number/Patent Number</i>	<i>Filing/Issue Date</i>	<i>Title</i>
14191980	27-FEB-2014	INSECT REPELLENT COMPOSITIONS

AND WHEREAS,

<i>Name and Address of Assignee Company</i>
Nantucket Spider, LLC 49 Liberty Street Wilton, CT 06897

hereinafter referred to as the "said COMPANY", is desirous of acquiring or confirming its acquisition of the entire right, title and interest in and to said invention, inventions or improvements, and in and to said application, and in and to any and all patents, both of the United States and of all foreign countries, that may be obtained therefor;

NOW, THEREFORE TO ALL WHOM IT MAY CONCERN, BE IT KNOWN, that we, the Inventors, for good and valuable considerations, the receipt and sufficiency of which we hereby acknowledge, have sold, assigned, transferred and conveyed, and by this assignment do sell, assign, transfer and convey, unto said COMPANY, its successors and assigns, the entire right, title and interest throughout the world, in and to our invention, inventions or improvements described or set forth in said application, in any form or embodiment thereof, and in and to said applications, and in and to any applications filed in any foreign country based thereon, including the right to file foreign applications under the provisions of any convention or treaty; and in and to any confirmation, divisional, continuation, continuation-in-part, PCT application, or substitute application which may filed on said invention, inventions or improvements in the United States or in any foreign country; and in and to any and all patents, certificates, utility models, reissues, extensions, additions or confirmations thereof which may be granted in the United States or in any foreign country upon said invention, inventions or improvements, to have and to hold the same to the full end of the term or terms for which any and all such United States and foreign patents and grants may be issued on said invention, inventions or improvements.

AND we do hereby authorize and request the issuing authority to issue any and all of said United States and foreign patents on said application or applications to said COMPANY, its successors and assigns, as the assignees of the entire right, title and interest in and to the same, for the sole use and benefit of said COMPANY, its successors and assigns.

AND we do hereby covenant and warrant that we have full right to convey the entire right, title and interest herein assigned free and clear of all licenses, encumbrances and liens whatsoever, and that we have not executed and will not execute any instruments in conflict herewith.

AND we, for the conditions aforesaid, do hereby covenant and agree to and with the said COMPANY, its successors and assigns, that we, our executors, administrators, or other personal representatives, shall and will do all lawful acts and things, make all rightful oaths, and make, execute, and deliver any and all other instruments in writing, and any and all further applications, papers, powers, affidavits, assignments, disclaimers and other documents, which in the opinion of counsel for said COMPANY, its successors and assigns, may be required or necessary in this or in any foreign country

more effectually to secure to and vest in said COMPANY, its successors and assigns, the entire right, title and interest in and to said invention, inventions, or improvements, application or applications, patents, rights, titles, benefits, privileges and advantages hereby sold, assigned, confirmed, transferred and conveyed.

The undersigned hereby grants Thomas A. Gallagher, Esq., the power to insert on this Assignment any further identification that may be necessary in order to comply with the rules of the U.S. Patent and Trademark Office or any other official office for the recordation of this document.

This assignment may be executed in separate copies by individual or groups of inventors.

IN WITNESS WHEREOF, we have hereunto set our hands and seals this 21st day of October, 2014.
