ASSIGNMENT

WHEREAS We, the below named inventors, [hereinafter referred to as "Assignors"], have made an invention entitled:

**BALL, PARTICULARLY FOR BASKETBALL PRACTICE, AND
CORRESPONDING MANUFACTURE METHOD**

for which We executed an application for United States Letters Patent filed in the U.S. Patent and Trademark Office, identified by **U.S. Application No. 14/122,319, filed on November 26, 2013**, being the national phase entry of **International Application No. PCT/FR2011/051632, filed on July 8, 2011**, and claiming priority to **French Application No. 1154758, filed May 31, 2011**; and

WHEREAS, **DECATHLON**, a corporation of France whose post office address is **4 Boulevard de Mons, 59650 Villeneuve d'Ascq, FRANCE**, (hereinafter referred to as "Assignee"), is desirous of securing the entire right, title, and interest in and to this invention in all countries throughout the world, the above-referenced applications on this invention, and to the United States Letters Patent to be issued upon the above-referenced U.S. patent application and any application and Letters Patent claiming priority to or from the above-referenced applications;

NOW THEREFORE, be it known that, for good and valuable consideration, the receipt of which from Assignee is hereby acknowledged, We, as Assignors, have sold, assigned, transferred, and set over, and do hereby sell, assign, transfer, and set over unto the Assignee, its lawful successors and assigns, our entire right, title, and interest in and to this invention, the above-referenced U.S. patent application, all other non-provisional applications, and all divisions, and continuations thereof, and all Letters Patent of the United States which may be granted thereon, and all reissues thereof, and all rights to claim priority on the basis of the above-referenced applications, and all other applications for Letters Patent which may have been or may be filed for this invention in any country and all Letters Patent which may be granted on this invention in any country, including the above-referenced International and French patent applications, and all extensions, renewals, and reissues thereof; and We hereby authorize and request the Commissioner of Patents and Trademarks of the United States and any official of any other country whose duty it is to issue patents on applications as described above, to issue all Letters Patent for this invention to Assignee, its successors and assigns, in accordance with the terms of this Assignment;

AND, WE HEREBY covenant that We have the full right to convey the interest assigned by this Assignment, and We have not executed and will not execute any agreement in conflict with this Assignment;

AND, WE HEREBY further covenant and agree that We will, without further consideration, communicate with Assignee, its successors and assigns, any facts known to us respecting this invention, and testify in any legal proceeding, sign all lawful papers when called upon to do so, execute and deliver any and all papers that may be necessary or desirable to perfect the title to this invention in said Assignee, its successors or assigns, execute all non-provisional, divisional, continuation, and reissue applications, make all rightful oaths and generally do everything possible to aid Assignee, its successors and assigns, to obtain and enforce proper patent protection for this invention in the United States and any foreign country, it being understood that any expense incident to the execution of such papers shall be borne by the Assignee, its successors and assigns.
