ISI-4001

ASSIGNMENT

Whereas, Roy E. Moore, Jr., of Killingworth and Paul R. Holbrook of Old Saybrook, all in Connecticut, have invented certain new and useful improvements related to " A METHOD FOR INTERNALLY SUPPORTING A SEPTIC TANK AND AN INTERNAL SUPPORT ARTICLE FOR A SEPTIC TANK," which is at least partially described in and for which a U.S non-provisional patent application bearing such title and having Atty. Number ISI-4001 was filed on July 01, 2013;

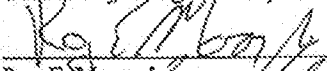

I hereby authorize and request my attorney, Steven M. McHugh of Middletown, Connecticut, to insert here in parentheses (Application Serial Number 13/732,624, filed July 01, 2013) the application serial number of said non-provisional patent application when known.

Whereas, said Moore and Holbrook possess all right, title, and interest in the foregoing inventions and applications, free from all encumbrance, and have full right to convey their interests; and,

Whereas, Infiltrator Systems, Inc. ("Infiltrator"), a corporation having a business office at 4 Business Park Road, Old Saybrook, Connecticut is desirous of acquiring certain right, title and interest in same;

Now Therefore, in consideration of one dollar and other consideration received, Roy E. Moore Jr. and Paul R. Holbrook by these presents do hereby grant and assign to Infiltrator Systems Inc. the full and exclusive right in the invention and said application, in any applications related thereto (including provisionals, continuations, divisions, re-issues and continuations in part), in any patents arising therefrom, and in any applications filed in foreign countries, including the right to file foreign applications under the provisions of the International Convention; and also the entire right, title and interest in and to any and all patents or reissues or extensions thereof obtained in the United States of America and any foreign country upon said inventions; and they hereby authorize and request any patent issuing authority to issue any and all patents on said applications to Infiltrator Systems, Inc. or its successors or assigns, as assignee for its sole use and behoof.

Roy E. Moore Jr. and Paul R. Holbrook further agree on behalf of themselves, their successors, heirs and assigns, that upon request of the assignee and without any further payment or compensation, to communicate to the assignee any facts relating to said invention including evidence for interference purposes or other legal proceedings, to testify in any interference or other legal proceedings, to execute and deliver all lawful papers, and generally to do everything possible to aid the assignee to obtain and enforce patent protection for said invention in the USA or any foreign country.
