PATENT ASSIGNMENT

This ASSIGNMENT is effective as of the 29th day of October, 2014, by PATRICK GERALD WHALEY, AN INDIVIDUAL with an address at 6115 Polo Drive, Cumming, Georgia 30040 ("Assignor"), to TITIN ATHLETICS, LLC, a New York limited liability company with an address at 112 Windsor Gate, Lake Success, NY 11020 ("Assignee").

WHEREAS, Assignor is the owner of all right, title and interest in the inventions, patents and patent applications listed in Schedule A attached hereto (referred to collectively as the "Patents");

WHEREAS, Assignee is desirous of acquiring all right, title and interest in and to said Patents;

WHEREAS, Assignor desires to transfer and assign to Assignee, and Assignee desires to accept the transfer and assignment of, all right, title, and interest in and to the Patents throughout the United States of America, its territories, and all foreign countries, including the right to claim priority under United States law or international convention, and including any and all inventions described therein, and all provisional applications, non-provisional applications, continuations, continuations-in-part, divisionals, reissues, reexaminations, renewals, substitutes and extensions of any of the foregoing and any and all patents issuing on or from any of the foregoing patent applications, and any and all reissues, reexaminations, renewals, substitutes and extensions thereof.

NOW, THEREFORE, as of the date first written above, Assignor, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, does hereby transfer and assign to Assignee, and Assignee hereby accepts the transfer and assignment of all right, title, and interest in and throughout the United States of America, its territories and all foreign countries, in, to, and under the Patents, including the right to claim priority under United States law or international convention, and including any and all inventions described therein, and all provisional applications, non-provisional applications, continuations, continuations-in-part, divisionals, reissues, reexaminations, renewals, substitutes and extensions of any of the foregoing and any and all patents issuing on or from any of the foregoing patent applications, and any and all continuations, continuations-in-part, divisionals, reissues, reexaminations, renewals, substitutes and extensions thereof, all rights to sue for infringement of any Patents, whether arising prior to or subsequent to the date of this Assignment, together with all choses in action, the right to sue for past, present and future infringements, and to collect damages and costs for all past, present and future infringements, the same to be held and enjoyed by said Assignee, its successors and assigns, from and after the date herein above written, as fully and entirely as the same would have been held and enjoyed by Assignor had this Assignment not been made, and requests the Commissioner for Patents of the United States Patent and Trademark Office, and any Official of any country or countries foreign to the United States authorized to issue patents on applications aforesaid, to record Assignee as the owner of such Patents and to issue all Letters Patent for said Patents to be in the name of Assignee, as assignee of the Patents, for the sole use of Assignee, its successors, assigns or other legal representatives.

IN WITNESS WHEREOF, Assignee has caused its duly authorized officer to execute this Assignment as of the date first above written.
