ASSIGNMENT

WHEREAS, I, Marvin K. Burnett, of 22411 County Road F, Archbold, Ohio 43502, have invented a CEILING SYSTEM, for which I have executed an application for United States Letters Patent, which is identified by the docket number written above; and

WHEREAS, Sauder Woodworking Co., an Ohio corporation, of 502 Middle Street, Archbold, Ohio 43502, is desirous of acquiring the entire interest in and to said invention and any Letters Patent to issue therefor;

THEREFORE, to all whom it may concern, be it known that for and in good and valuable consideration to me in hand paid, the receipt of which is hereby acknowledged, I, Marvin K. Burnett, do hereby sell, assign and transfer unto Sauder Woodworking Co., its successors or assigns, the entire right, title and interest in and to said application and invention in the United States and all foreign countries, including the right of priority under the laws of the United States, the Paris Convention, and any foreign countries, for the full term of the patent or patents, including extensions thereof. This Assignment includes the assignment of the right to recover for past infringements of, or liabilities for, any of the rights related to the applications or patents resulting from the invention.

I agree to execute any and all documents required by said company, its successors or assigns, for the prosecution of any applications of any type for patent in the United States and in all foreign countries, including, but not limited to the following: provisional, nonprovisional, continuation, continuation-in-part, divisional, reissue, reexamination, or extension, and also any documents required by said company, its successors or assigns, to

more fully vest in it or them title to said invention, or to any application or patent that may be filed therefor or secured thereon.

I request that the Commissioner of Patents of the United States and any official of any foreign country or countries issue any patent or patents to said company.

Marvin K. Burnett
