ASSIGNMENT

WHEREAS, RILEY INNOVATIONS, INC., a Georgia corporation (hereinafter "ASSIGNOR"), is the owner of the entire interest in the inventions in the following patent application(s)/patent(s):

1. U.S. Patent No. 6,488,063, issued December 3, 2002, entitled "Delimiting Device and Methods", together with all related technical information, know-how, processes, procedures, methods, techniques, advances, and developments relating to the same.
2. U.S. Patent No. 6,484,769, issued November 26, 2002, entitled "Delimiting Device and Methods," together with all related technical information, know-how, processes, procedures, methods, techniques, advances, and developments relating to the same.
3. U.S. Patent No. 6,155,317, issued December 5, 2000, entitled "Mechanical Pull-Through Delimiting Device", together with all related technical information, know-how, processes, procedures, methods, techniques, advances, and developments relating to the same.
4. U.S. Patent No. 6,431,232, issued August 13, 2002, entitled "Delimber", together with all related technical information, know-how, processes, procedures, methods, techniques, advances, and developments relating to the same.

WHEREAS, TREECON FOREST PRODUCTS, INC., a Texas corporation (hereinafter "ASSIGNEE"), having a business address at 6004 South First Street, Lufkin, Texas 75901, is desirous of obtaining the entire right, title and interest in, to and under the said inventions and the said application(s)/patent(s):

NOW, THEREFORE, in exchange for good and valuable consideration, the receipt of which is hereby acknowledged, said ASSIGNOR has sold, assigned, transferred and set over, and by these presents does hereby sell, assign, transfer and set over, unto the said ASSIGNEE, its successors, legal representatives and assigns, the entire right, title and interest in, to and under the said inventions, and the said United States application(s)/patent(s) and all divisions, renewals and continuations thereof, and all Patents of the United States which may be granted thereon and all reissues and extensions thereof; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which may hereafter be filed for said inventions in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from said United States application(s)/patent(s) under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such applications are filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models, inventors' certificates and designs which may be granted for said inventions in any country or countries foreign to the United States and all extensions, renewals and reissues thereof; such entire, right, title and interest expressly includes the right to sue for and recover past damages for infringement of the patent(s)/application(s).

IN TESTIMONY WHEREOF, I hereunto set my hand and seal the day and year set opposite my signature.
