ASSIGNMENT

١,

Ming Ye

residing at

5100 Alaire Drive Fort Worth, Texas 76132 United States of America,

for good and valuable consideration, the receipt and adequacy of which is hereby acknowledged, do hereby sell and assign to **Novartis AG**, a company organized under the laws of the Swiss Confederation, having a place of business at Schwarzwaldallee 215, Basel, Switzerland 4058, its successors, assigns and legal representatives, all my right, title and interest, which includes the right to and full benefit of such priorities as may now or hereafter be granted to me by local laws or by treaty, including any international convention for the protection of industrial property, in and for all countries of the world except the United States and its territories and possessions in and to the invention entitled:

Lens Design to Enhance Vision Quality

invented by me and described in the application for United States Letters Patent

Application No. 09/911,332, filed 23 July 2001,

all applications for Letters Patent therefor in all countries and territories of the world except the United States and its territories and possessions (including all applications for continuations and divisions of such applications and all applications for modifications and extensions of such applications and Letters Patent issuing thereon) and all Letters Patent which may be granted and/or issued therefor in all of said countries and territories (including all modifications and extensions thereof and supplemental protection certificates relating thereto), the said interest being the entire ownership of said invention and all of said applications and Letters Patent when granted and/or issued, to be held and enjoyed by the said Novartis AG and its successors and assigns to the full end of the terms to which said Letters Patent may be granted and/or issued, as fully and entirely as the same would have been held and enjoyed by me if this sale, assignment and transfer had not been made;

PATENT REEL: 034091 FRAME: 0859

1

And I hereby agree to sign and/or execute any further documents and/or instruments which may be necessary, lawful and proper in and/or for the filing and/or prosecution of all of said applications for Letters Patent in all countries and territories of the world except the United States and its territories and possessions for the above-identified invention and/or the granting and/or issuance of all of said Letters Patent and/or to otherwise secure title to said invention and all of said applications and Letters Patent in said assignee.

Signed this 11th day of October, 199 by Ming re
