ASSIGNMENT

Patent Assignment ("Assignment") dated as of this 5th day of October, 2004 (the "Effective Date"), between AVANTA ORTHOPAEDICS, INC., a California corporation ("Assignor") and VB ACQUISITION CO., LLC, a Delaware limited liability company ("Assignee").

WHEREAS, Assignor and Assignee have entered into an Asset Purchase Agreement dated October 5th, 2004;

WHEREAS, Assignor owns all right, title and interest in and to the patents listed in Schedule A and an equal and undivided portion of the whole right, title and interest in the patent application listed in Schedule B, and the inventions disclosed therein;

WHEREAS, Assignee is desirous of acquiring said patents, and said interest in said patent application and inventions.

NOW, THEREFORE, in consideration of the sum of One Dollar and other good and valuable executed consideration, the full receipt and sufficiency of all of which are hereby acknowledged and intending to be legally bound hereby, the undersigned Assignor, hereby agrees to sell, assign, transfer and convey and by these presents do sell, assign, transfer and convey unto the above-named Assignee, the whole and entire right, title and interest

in and to the inventions described in the patents and patent applications listed in Schedules A and B, for the territory of the United States and its possessions and territories and all foreign countries;

in and to the patents and patent applications listed in Schedules A and B and any and all related United States and foreign patent applications disclosing said inventions, including provisionals, non-provisionals, divisions and continuations thereof, along with all rights of priority created by said patent application under any treaty relating thereto; and

in and to all United States and foreign patents which may be granted on any and all of the patents and patent applications listed in Schedules A and B, including extensions, reissues and reexamination certificates thereof;

said inventions, applications and patents to be held and enjoyed by the above-named Assignee, for Assignee's own use and benefit, and for Assignee's legal representatives and assigns to the full end of the terms for which said patent(s) may be granted, as fully and entirely as the same would have been held by the undersigned Assignor had this assignment and sale not been made; and for the aforesaid consideration Assignor hereby covenants, agrees and undertakes to execute,

EXECUTION COPY

whenever requested by the above-named Assignee, all patent applications, assignments, lawful oaths and any other papers which Assignee may deem necessary or desirable for securing to Assignee or for maintaining for Assignee all the patent(s) hereby assigned or agreed to be assigned; all without further compensation to the undersigned Assignor.

It is agreed that Assignor shall be legally bound, upon request and at the expense of Assignee or its successors or assigns or a legal representative thereof, to supply all information and evidence of which the undersigned has knowledge or possession, relating to the making and practicing of said invention, to testify in any legal proceeding relating thereto.

Assignor hereby warrants that no assignment, sale, agreement, or encumbrance has been or will be made or entered into which would conflict with this Assignment.

Signed this 5th day of October, 2004.
