ASSIGNMENT

WHEREAS, J. H.J. von der Goltz, residing at 177 Ocean Lane Drive, Apt. 1100, Key Biscayne, FL 33149, hereinafter called the "Assignor(s)", am an inventor of an invention entitled SYSTEM AND METHOD FOR UNDERWATER OBSERVATION, for which one or more applications for patent, design registration, utility model registration, or other form of protection, rights, or title have been or will be made in certain countries including those described below:

- U.S. Provisional Application no. 61/563,344, filed January 5, 2012;
- U.S. Patent Application no. 13/735,001, filed January 6, 2013;
- International (PCT) Patent Application no. PCT/US13/20437, filed January 6, 2013; and
- Taiwan Patent Application no. _____, Attorney Docket No. JVDG-100-TW, entitled "System and Method for Underwater Observation," filed January 7, 2013.

WHEREAS, Canopy Enterprises, Inc., a corporation organized and existing under and by virtue of the laws of the State of DE, having a place of business at 2121 S.W. 3rd Avenue, Suite #200, Miami, FL 33129, hereinafter called the "Assignee," desires to acquire the entire right, title and interest for the United States of America and elsewhere throughout the world in and to said invention and the patent applications identified above, including any and all divisions, continuations and continuations-in-part thereof and any and all Letters Patent, which may be granted thereon, including any and all renewals, reissues and prolongations thereof.

NOW, THEREFORE, to all whom it may concern, be it known that for good and valuable consideration, the receipt of which is hereby acknowledged, the Assignor(s) have sold, assigned and transferred, and by these presents do sell, assign and transfer to the Assignee, the entire right, title and interest for the United States in and to the invention and the patent applications identified above, and any patents that may issue for said invention in the United States; together with the entire right, title and interest in and to said invention and all patent applications and patents therefore in all countries foreign to the United States, including the full right to claim for any such application all benefits and priority rights under any applicable convention; together with the entire right, title and interest in and to all continuations, divisions, renewals and extensions of any of the patent applications and patents defined above; to have and to hold for the sole and exclusive use and benefit of the Assignee, its successors and assigns, to the full end of the term and terms for all such patents.

AND said Assignor(s) hereby covenant and agree, for both the Assignor(s) and the Assignor(s)' legal representatives, that the Assignor(s) will assist the Assignee in the prosecution of the patent application identified above; in the making and prosecution of any other patent applications that the Assignee may elect to make covering the invention identified above, in vesting in the Assignee like exclusive title in and to all such other patent applications and patents; and in the prosecution of any interference which may arise involving said invention, or any such patent application or patent; and that the Assignor(s) will execute and deliver to the Assignee to carry out the terms of this Assignment. Assignor(s) authorize attorney or agent to fill in the Patent Application Serial Nos. above, if required.

AND said Assignor(s) authorize and request the Commissioner of Patents to issue Letters Patent on said application, and on any all divisions and continuations thereof, to said Assignee, its assigns and legal representatives, in accordance with the terms of this Assignment.

The ASSIGNOR(S) hereby appoint registered patent practitioners associated with the patent application identified above as my representatives with full power of substitution and revocation to prosecute this application and to transact all business in the Patent and Trademark Office connected therewith, to amend the specification, to appeal in case of rejection, as may be deemed advisable, to receive the patent when granted and generally to do all matters and things needful and additionally to insert on this Assignment any further identification which may be necessary or desirable in order to comply with the rules of the U.S. Patent and Trademark Office for recordation of this document.

This Assignment may be executed in any number of counterparts, each of which when so executed and delivered shall be deemed an original, and such counterparts together shall constitute one and the same instrument. A facsimile copy of this Assignment, including the signature pages hereto, shall be deemed to be an original.

IN TESTIMONY WHEREOF, this Assignment is executed by said Assignor(s), on the date(s) listed below.
