ASSIGNMENT

WHEREAS, I, Steven Craig Anderson, a resident of Lompoc, California, hereinafter referred to as the "Assignor" has invented certain new and useful inventions and improvements as described and set forth in applications for Letters Patent identified in Exhibit A hereto ("the Patent Applications") with Declarations as applicable attached thereto that were executed by the Assignor;

WHEREAS, MicroKoll, Inc., a corporation of the State of California, having an entity address of 608 South C Street, Lompoc, CA 93436 hereinafter referred to as "Assignee", desires to acquire the entire right, title and interest in and to said Patent Applications, said inventions, said improvements, and any and all Letters Patent which may be granted thereon in the United States or any foreign country;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged by Assignor,

1. Assignor hereby sells, assigns, transfers and conveys to Assignee the entire worldwide right, title and interest in and to said Patent Applications, said inventions and said improvements, and in and to any and all Letters Patent on said invention and improvements that may be granted by the United States or any foreign country, including any national applications, divisions, substitutions, continuations in whole or in part, conversions, reissues, additions or extensions thereof, said interest to be held and enjoyed by Assignee as fully and exclusively as it would have been held and enjoyed by said Assignor had this Assignment and transfer not been made.

2. Assignor hereby covenants, warrants and represents that he has not heretofore granted any license, right or privilege with respect to said Patent Applications, inventions or improvements or in any other way encumbered the same, and that he has the full right to make this Assignment.

3. Assignor further agrees that at the request and expense of Assignee, but without charge to said Assignee, he will promptly execute all papers necessary or desirable to perfect ownership of said inventions, improvements, Patent Applications or said Letters Patent, in said Assignee, and will execute all oaths and other papers, within the truth, that are necessary or desirable for prosecuting said Patent Applications, for use in interference proceedings involving said invention or improvements, for refilling said Patent Applications, for filing of said national applications, divisional, substitution, continuation or continuation-in-part applications covering said invention or improvements which are deemed necessary or desirable by Assignee, for reissuance or reexamination of said Letters Patent, or for the filing in foreign countries of applications for Letters Patent covering said invention or improvements.

4. The terms, covenants and provisions of this Assignment shall inure to the benefit of Assignee, its successors, assigns and other legal representatives, and shall be binding upon Assignor, his heirs, legal representatives and assigns.
