CONFIRMATION OF ASSIGNMENT
Design Partners to ResMed Sensor Technologies Limited

WHEREAS, **Design Partners**, (hereinafter "**Assignor**") whose postal address is IDA Business Park, Southern Cross Route, Bray, Co. Wicklow, Ireland, is an owner of and has acquired whole or partial rights in and to certain new and useful inventions relating to APPARATUS FOR SLEEP INFORMATION DETECTION (hereinafter "**Inventive Subject-Matter**") which is described in and for which application has been made as follows:

- A Design Application filed on 9 May 2014 in United States of America and designated as Application No 29/490436.

WHEREAS, **ResMed Sensor Technologies Limited** (hereinafter "**Assignee**"), an Irish company, whose postal address is NexusUCD, Blocks 9 & 10, Belfield Office Park, Clonskeagh, Dublin 4, Ireland, is desirous of acquiring the entire right, title and interest in and to said Inventive Subject-Matter, including without limitation said application(s), for every jurisdiction, including without limitation the United States of America and all other countries, and any benefits of or to be obtained therefrom:

NOW THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and on the Effective Date herein, Assignor has sold, assigned, and set over and/or to any extent not previously, by these presents does hereby sell, assign and set over unto Assignee, Assignee's legal representatives, successors and assigns, its entire right, title and interest in and to said Inventive Subject-Matter for every jurisdiction, including without limitation the United States of America and all other countries, said application(s) and any benefits of or to be obtained therefrom, including without limitation any continuation, or divisional application, renewal or substitute thereof, international, foreign and regional applications corresponding or claiming priority thereto pursuant to any law or treaty, including the right to claim such priority or benefit, and the Letters Patent, both foreign and domestic, that may or shall issue thereon, or any reissue or re-examination thereof, and Assignee hereby accepts them, and Assignor does hereby authorize and request the U.S Commissioner of Patents and any other country's Commissioner of Patents to issue said Letters Patent to the above-mentioned Assignee, consistent with the terms of this Assignment.

UPON SAID CONSIDERATION, Assignor hereby covenants and agrees with Assignee that Assignor has not and will not execute any writing or do any act whatsoever conflicting with these presents, and that Assignor will, at any time upon request, without further or additional consideration, but at the expense of Assignee, execute such additional

assignments and other writings and do such additional acts as Assignee may deem necessary or desirable to perfect Assignor's or its assign's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, continuation, or divisional application, renewal, reissued or extended Letters Patent of the United States, or of any and all other countries, on said Inventive Subject-Matter, and in enforcing any rights or chose in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of, the assigns and legal representatives of all parties.

This Confirmation of Assignment may be executed in any number of counterparts and the executed counterparts together constitute an original.
