CONFIRMATORY ASSIGNMENT

WHEREAS, Zakrytoye akstionernoye obschestvo "VELES FARMA" (hereinafter "Assignor") is the record owner of the entire right, title and interest of United States Patent Application Serial No. 14/263,011, filed April 28, 2014, by virtue of an Assignment by Vsevolod Ivanovich Kiselev and Irina Gennadiyevna Vasilyeva to Zakrytoye akstionernoye obschestvo "VELES FARMA" recorded on October 7, 2014 at Reel 033904, Frame 0869,

WHEREAS, Zakrytoye akstionernoye obschestvo "VELES FARMA" having an address of M. Sukharevskaya ploschad', d. 6, str. 1 127051, Moscow, Russia and Nordic Labs Limited (hereinafter "Assignee"), having an address of Biocity Scotland, Bo'ness Road, Newhouse, Lankarkshire, ML 1 5UH United Kingdom are desirous of confirming Nordic Lab Limited's ownership of 100% of the entire right, title and interest for the United States, its territories, dependencies and possessions, in and to said United States Patent Application, including the right to sue for past infringements and including any confirmations, divisions, continuations, reexaminations, reissues or extensions of the same by virtue of an Agreement to Assign Patents from Zakrytoye akstionernoye obschestvo "VELES FARMA" to Nordic Labs Limited submitted for recordation on November 10, 2014, a copy of which is appended hereto as Exhibit A.

NOW TO ALL WHOM IT MAY CONCERN: Be it known that for good and valuable consideration moving from Assignee to Assignor, the receipt all of which is hereby acknowledged, Assignor does hereby confirm having sold, assigned, transferred and set over and do hereby sell, assign, transfer and set over, unto Assignee, and its respective successors, legal representatives and assigns, the entire right, title and interest for the United States, its territories,

dependencies and possessions, in and to said United States Patent Application, including any and all divisions or continuations thereof and in and to any and all Letters Patents of the United States which may issue on any such applications, including any and all confirmations, divisions, continuations, reexaminations, reissues or extensions thereof, the same to be held and enjoyed by Assignee, and its respective successors, legal representatives and assigns, as fully and entirely as the same would have been held and enjoyed by Assignor had this assignment not been made, together with all claims for damages by reason of past infringement with the right to sue for and collect the same for their own use and for the use of their respective successors, assigns and legal representatives.

Assignor hereby grants the firm of COLLARD & ROE, P.C., 1077 Northern Boulevard, Roslyn, New York 11576, USA, the power to insert in this Assignment any further identification which may be necessary or desirable to comply with the rules of the United States Patent & Trademark Office for recordation of this Assignment.

Agreed terms

1. INTERPRETATION

- 1.1 The definitions and rules of interpretation in this clause apply in this agreement (unless the context requires otherwise):

Account means the following account:

Patents: the patent applications set out in the Schedule; and

Schedule: the schedule to this agreement which is incorporated into and forms part of this agreement.

- 1.2 Unless the context otherwise requires, words in the singular shall include the plural and in the plural shall include the singular.
- 1.3 A reference to any party shall include that party's personal representatives, successors and permitted assigns.
- 1.4 Any words following the terms including, include, in particular, for example or any similar expression shall be construed as illustrative and shall not limit the sense of the words, description, definition, phrase or term preceding those terms.

2. ASSIGNMENT

- 2.1 In consideration of the sum of , roubles which shall be paid in full by the Assignee to the Assignor into the Account, within 60 (Sixty) days after entering into this Agreement, the Assignor hereby irrevocably agrees to execute such assignments and other documentation as the Assignee may specify by giving notice in writing to the Assignor from time to time; in order to assign the Patents to

3567201

1

the Assignee absolutely with full title guarantee and all rights, title and interest in and to the Patents and in and to all and any inventions disclosed in the Patents, including:

2.1.1 In respect of any and each application in the Patents:

- (a) the right to claim priority from and to prosecute and obtain grant of patent; and
- (b) the right to file divisional applications based thereon and to prosecute and obtain grant of patent on each and any such divisional application;

2.1.2 In respect of each and any invention disclosed in the Patents, the right to file an application, claim priority from such application, and prosecute and obtain grant of patent or similar protection in or in respect of any country or territory in the world;

2.1.3 the right to extend to or register in or in respect of any country or territory in the world each and any of the Patents, and each and any of the applications comprised in the Patents or filed as aforesaid, and to extend to or register in, or in respect of, any country or territory in the world any patent or like protection granted on any of such applications;

2.1.4 the absolute entitlement to any patents granted pursuant to any of the applications comprised in the Patents or filed as aforesaid; and

2.1.5 the right to bring, make, oppose, defend, appeal proceedings, claims or actions and obtain relief (and to retain any damages recovered) in respect of any infringement, or any other cause of action arising from ownership, of any of the Patents or any patents granted on any of the applications in the Patents or filed as aforesaid, whether occurring before or after the date of this agreement.

2.2 The Assignor shall execute all assignments and other documentation referred to in clause 2.1 as soon as reasonably practicable and in any case within 14 days of the later of:

2.2.1 the date on which the Assignor receives notice from the Assignee to execute the relevant assignments and other documentation; and

2.2.2 the date on which the Assignor receives such assignments and other documentation from the Assignee for execution, in whatever form.

Promptly following the execution of such assignments and other documentation, and in any case within 7 days of that date, the Assignor shall arrange for the duly executed assignments and other documentation to be sent to the Assignee by such international courier service, or delivered by such other means, as may be specified in writing by the Assignee for this purpose provided that the Assignee shall reimburse any costs properly and reasonably incurred by the Assignor in complying with his obligations under this clause 2.2.

2.3 Without prejudice to any other rights or remedies that the Assignee may have, the Assignor acknowledges and agrees that damages alone would not be an adequate remedy for any breach of the terms of this agreement by the Assignor. Accordingly, the Assignee shall be entitled to the remedies of specific performance, injunction or other equitable relief for any threatened or actual breach of the terms of this agreement.

3. **FURTHER ASSURANCE**

The Assignor shall, at the expense of the Assignee, execute all such documents and do all such things as may be required for the Assignee to have the full benefit of the property and rights in the Patents referred to in clause 2.1.

4. **WARRANTIES**

4.1 The Assignor warrants that:

- 4.1.1 for each of the Patents listed in the Schedule, it is properly registered as the applicant or the registered proprietor as the case may be, and all application, registration and renewal fees have been paid;
- 4.1.2 it has not licensed or assigned any of the Patents;
- 4.1.3 the Patents are free from any security interest, option, mortgage, charge, lien or other encumbrance;
- 4.1.4 it is entitled to assign all rights, title and interest in and to the Patents and in and to all and any inventions disclosed in the Patents without the consent of any third party; and
- 4.1.5 all previous assignments of the Patents are valid and were registered within applicable time limits.

5. **WAIVER**

No failure or delay by either party to exercise any right or remedy provided under this agreement or by law shall constitute a waiver of that or any other right or remedy, nor shall it prevent or restrict the further exercise of that or any other right or remedy. No single or partial exercise of such right or remedy shall prevent or restrict the further exercise of that or any other right or remedy.

6. **NOTICES**

6.1 Any notice given under this agreement shall be in writing and signed by or on behalf of the party giving it and may be served by delivering it personally, or sending it by airmail or by international courier service or by email to the other party as follows:

- 6.1.1 to the Assignee at Biocity Scotland, Bo'ness Road, Newhouse, Lanarkshire, ML1 5UH, United Kingdom or by email to admin@nordiclabs.co.uk; or
- 6.1.2 to the Assignor at World Trade Center Moscow, 12, Krasnopresnenskaya embankment, entrance 7, floor 14, Moscow, Russia, 123610, attn. 1) Ms. M. Razumnaya or 2) Mr. V. Gorobinskiy or by email to 1) vgorobinskiy@voles-capital.ru and 2) MRazumnaya@voles-capital.ru,

or to such other address or email address as either party may notify to the other for the purpose of this clause from time to time.

6.2 Any such notice shall be deemed to have been received:

- 6.2.1 If delivered personally or by international courier service, at the time of delivery;
- 6.2.2 If sent by airmail, 7 days after posting; and
- 6.2.3 In the case of email, one hour after it was sent.
- 6.3 In proving such service it shall be sufficient to prove that the envelope containing the notice was addressed to the address of the relevant party and delivered either to that address or that the email was sent to the address specified in accordance with clause 6.1 and no message was received by the sender that the email could not be delivered.
- 7. ENTIRE AGREEMENT**
- The parties agree that this agreement constitutes the entire agreement and understanding between them in relation to its subject matter.
- 8. VARIATION**
- No variation of this agreement shall be valid unless it is in writing and signed by or on behalf of both of the parties.
- 9. SEVERABILITY**
- If any provision of this agreement is or becomes invalid, illegal or unenforceable, it shall be deemed modified to the minimum extent necessary to make it valid, legal and enforceable. Any modification to a provision under this clause shall not affect the validity and enforceability of the rest of this agreement.
- 10. COUNTERPARTS**
- This agreement may be executed in any number of counterparts, each of which when executed and delivered shall constitute a duplicate original, but all the counterparts shall together constitute the one agreement. Transmission of an executed counterpart of this agreement (but not just a signature page) by email (in PDF, JPEG or other agreed form) shall take effect as delivery of an executed counterpart of this agreement. If delivery by email is adopted by the Assignor, without prejudice to the validity of the agreement thus made, the Assignor shall provide the Assignee with the original of his counterpart as soon as reasonably practicable thereafter.
- 11. THIRD PARTY RIGHTS**
- No one other than a party to this agreement, their successors and permitted assignees, shall have any right to enforce any of its terms.
- 12. GOVERNING LAW AND JURISDICTION**
- 12.1 This agreement and any dispute or claim arising out of or in connection with it or its subject matter or formation (including non-contractual disputes or claims) shall be governed by and construed in accordance with the law of England and Wales.

12.2 The parties irrevocably agree that the courts of England and Wales shall have exclusive jurisdiction to settle any dispute or claim that arises out of or in connection with this agreement or its subject matter or formation (including non-contractual disputes or claims).

This agreement has been entered into on the date stated at the beginning of it.
