ASSIGNMENT

WHEREAS, WE, LARS BJOLAND, a citizen of Norway and a resident of Ågotnes, Norway and ELDAR LIEN, a citizen of Norway and a resident of Bergen, Norway have invented new and useful improvements in

Method and a Device for Maintaining or Replacing a Tether Line

for which an application for United States Letters Patent was filed under Application Number 14/397,554 on October 28, 2014..

WHEREAS, Selantic AS, a corporation organized under and by virtue of the laws of Norway and having an office in Blomsterdalen, Norway is desirous of obtaining the entire right, title and interest in and to the said application and the invention therein described and claimed and any Letters Patent that may be issued upon said application or for the improvements therein contained.

NOW, THEREFORE, in consideration of One Dollar (\$1) and other valuable consideration, we, the said LARS BJOLAND and ELDAR LIEN have sold, assigned and transferred and do hereby sell, assign and transfer unto the said Selantic AS, its successors and assigns, the entire right, title and interest in and to the said application and the invention therein contained, including the right to apply for any Letters Patent in the United States of America and any Letters Patent that may be issued thereon or therefor, in the United States, and all reissues, extensions, renewals, divisions and continuations thereof, to the full end of the term or terms for which said Letters Patent may be issued, the same to be held and enjoyed by the said Selantic AS, its successors and assigns, the same as it would have been held and enjoyed by us if this assignment and sale had not been made.

AND WE HEREBY authorize and request the Commissioner of Patents and Trademarks to issue all such Letters Patent to the said Selantic AS in accordance with this instrument of Assignment.

WE FURTHER covenant and agree, in consideration of the premises, that we or our executors and administrators, will execute and deliver to the said Selantic A, its successors and assigns, any further documents or instruments, and do any and all further acts that may be deemed necessary by the said Selantic AS, its successors and assigns, to vest in the said Selantic AS, its successors and assigns, the

title herein conveyed or intended so to be, and to enable such title to be recorded in the United States Patent and Trademark Office.

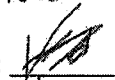

AND WE FURTHER covenant and agree, in consideration of the premises, that we or our executors and administrators, will at any time upon request communicate to the said Selantic AS, its successors and assigns, any facts relating to the said invention and improvements and the history thereof, known to us or to our executors and administrators, and that we will testify as to the same in any interference or other litigation when requested so to do by the said Selantic AS, it being understood that Selantic AS will compensate us for our expenses reasonably incurred in complying with its requests.
