## ASSIGNMENT

WHEREAS, WE,

- (1) Graham OLIVE of Crawley, United Kingdom
- (2) Graham BARNES of Cuckfield, United Kingdom; and
- (3) Henry NICHOLSON-COLE of Poole, United Kingdom;

have invented certain improvements in:

### THIN FILM MIRROR

for which we have executed the following application for Letters Patent of the United States of America:

U.S. Patent Application No. 14/115,861, filed on November 5, 2013

WHEREAS, THALES HOLDINGS UK PLC (Assignee), a business concern of the United Kingdom, having its principal office and place of business at 2 Dashwood Lang Road, The Bourne Business Park, Addlestone, Nr Weybridge, Surrey, Great Britain KT152NX, is desirous of obtaining the entire right, title and interest in, to and under said invention and said application in the United States of America and in any and all countries foreign thereto;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto said Assignee, its successors, legal representatives and assigns, the entire right, title and interest in, to and under said invention, and said application, and all divisionals, renewals, substitutionals and continuing applications thereof, and all Letters Patents of the United States of America which may be granted thereon and all reissues and extensions thereof, and all applications for Letters Patents which may be filed for said invention in any country or countries foreign to the United States of America, and all extensions, renewals and reissues thereof, and all prior patents and patent applications from which a filing priority of the above-described patent application may be obtained, including the right to collect past damages; and we hereby authorize and request the Commissioner for Patents of the United States of America, and any official of any country or countries foreign to the United States of America, whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent for said invention to said Assignee its successors, legal representatives and assigns, in accordance with the terms of this instrument.

AND WE HEREBY covenant that we have full right to convey the entire interest herein assigned, and that we have not executed, and will not execute, any agreement in conflict herewith.

AND WE HEREBY further covenant and agree that we will communicate to said Assignee, its successors, legal representatives and assigns, any facts known to us respecting said inventions, and testify in any legal proceedings, sign all lawful papers, execute all divisionals, renewals, substitutionals, continuing applications and reissue applications, make all rightful declarations and/or oaths and generally do everything possible to aid said Assignee, its successors, legal representatives and assigns, to obtain and enforce proper patent protection for said inventions in all countries.
