ASSIGNMENT

WHEREAS WE, **Shuo Jiao, Munjal Shah, and Ardaman Singh**, have made a certain new and useful invention(s) as set forth in an application for United States Letters Patent, entitled **SYSTEM AND METHOD FOR MAKING A HUMAN HEALTH PREDICTION FOR A PERSON THROUGH DETERMINATION OF THEIR HEALTH KNOWLEDGE**, (Attorney Ref. No.: HEQL.P001), executed by us on the dated of execution of this document, as shown below;

- (1) THE AFOREMENTIONED application having serial number 14/542,347 filed on November 14, 2014; (and do hereby authorize ASSIGNEE and its representative to hereafter add herein such application number(s) and/or filing date(s) when known); and all application(s) claiming priority thereto;

AND WHEREAS, **Health Equity Labs** a legal entity having an address of 650 Castro Street, Suite 250, Mountain View, CA 94041, is desirous of acquiring the entire right, title and interest in and to said invention(s), including in and to any and all Letters Patent of the United States and foreign countries which may be obtained from any of said Applications or which claim priority to any of said Applications;

NOW, THEREFORE, for good and valuable consideration, the receipt for and sufficiency of which is hereby acknowledged, WE do hereby sell, assign, transfer and set over unto **Health Equity Labs** its legal representatives, successors, and assigns ("Assignee"), the entire right, title and interest in and to said invention(s) as set forth in the above-mentioned application, including any continuations, continuations-in-part, divisions, reissues, re-examinations or extensions of utility application(s) thereof, and in and to any and all patents of the United States and foreign countries which may be issued for said invention(s);

UPON SAID CONSIDERATIONS, WE hereby agree to not execute any writing or do any act whatsoever conflicting with these Applications or follow on applications claiming priority therefrom, and that WE will, at any time upon request, without further or additional consideration but at the expense of said Assignee, execute such additional

assignments and other writings and do such additional acts as said Assignee may deem necessary or desirable to perfect the Assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining said utility application(s), and all divisional, continuation, continuation-in-part, reexamined, reissued, or extended Letters Patent of the United States therefore, or of any and all application(s) filed in foreign countries on said invention, and in enforcing any rights or choses in action accruing as a result of such applications or patents, by giving testimony in any proceedings or transactions involving such applications or patents, and by executing preliminary statements and other affidavits, it being understood that the foregoing covenant and agreement shall bind, and inure to the benefit of the assigns and legal representatives of assignor and Assignee;

AND WE REQUEST the Commissioner of Patents and Trademarks to issue any Letters Patent of the United States which may be issued for said invention(s) to said Assignee, its legal representatives, successors or assigns, as the sole owner of the entire right, title and interest in and to said patent and the invention covered thereby.
