Attorney Docket No.:

**COMBINED DECLARATION AND ASSIGNMENT
FOR
UTILITY PATENT APPLICATION**

As the below named inventor, I hereby declare that:

(1) This declaration and assignment are directed to:

Title: **SYSTEM FOR MONITORING POWER LINES**

- ☒ the specification of which is attached hereto; OR
☐ United States Patent Application or PCT International application number:
_____ ; filed on _____ ; as amended on (if applicable)

(I hereby authorize and request the Company or its designated attorneys, representatives or agents to insert above the application number and filing date of the application, or other pertinent information herein, when known.)

- (2) The above-identified application was made or authorized to be made by me.
- (3) I believe that I am the original inventor or an original joint inventor of a claimed invention in the application.
- (4) I hereby acknowledge that any willful false statement made in this declaration is punishable under 18 U.S.C. §1001 by fine or imprisonment of not more than five (5) years, or both.
- (5) I have reviewed and understand the contents of the above-identified application, including the claims, as amended by any amendment referred to above.
- (6) I acknowledge the continuing duty to disclose to the United States Patent and Trademark Office all information known to me to be material to patentability of this application, as defined in Title 37, Code of Federal Regulations, Section 1.56, including, for continuation-in-part applications, material information which becomes available between the filing date of the prior application and the filing date of the continuation-in-part application.

OATH:

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
