## ASSIGNMENT

WHEREAS,

Thomas BÜRGIN, Hartmattenstrasse 72, D-79539 Lörrach, Germany, has made an invention in

### BARRIER SYSTEM

and has executed an application for Letters Patent of the United States of America based thereon

<> the \_\_\_\_\_ day of \_\_\_\_\_ 2014

<> on even date herewith

HMK ~~✗~~ and subsequently (\*) officially identified as Serial Number 14/452,018 filed  
on NOVEMBER 14, 2014

AND WHEREAS, MAGNETIC AUTOCONTROL GmbH, Grienmatt 20, D-79650 Schopfheim, Germany, is desirous of acquiring the entire right (including priority rights under any and all International Conventions), title and interest in and to the said invention in and throughout the United States of America, its Territories, and all countries foreign thereto, and in and to the said application for Letters Patent, and in and to any and all Letters Patent of the United States of America and countries foreign thereto, which have been or may be granted on said invention or any part thereof;

NOW THEREFORE, for one dollar and other good and valuable consideration, receipt of which is hereby acknowledged the said

Thomas Bürgin

has agreed to and does hereby sell, assign and transfer unto the said MAGNETIC AUTOCONTROL GmbH the entire right (including priority rights under any and all International Conventions), title and interest in and throughout the United States of America, its Territories and all countries foreign thereto in and to said invention, said application for Letters Patent, and any and all Letters Patent and extensions thereto, of the United States of America and countries foreign thereto which have been or may be granted on said invention or any part thereof, or on said application or any divisional, continuing, renewal, re-issue or other applications based on whole or in part thereon, or based upon said invention;

TO BE HELD AND ENJOYED by the said MAGNETIC AUTOCONTROL GmbH its heirs, executors, administrators, successors, and assigns to the full ends of the terms for which said Letters Patent or any of them have been or be granted, as fully and entirely as the same would have been held and enjoyed by me had no sale and assignment of said interest been made; and I do hereby authorize and request the Commissioner of Patents of the United States of America to issue any and all Letters Patent of the United States of America which may be granted upon the said applications above referred to, or any of them, or upon said invention or any part thereof, to MAGNETIC AUTOCONTROL GmbH aforesaid; and I hereby agree for myself and for my heirs, executors and administrators, to execute without further consideration any further lawful

documents and any further assurances, and any reissue, renewal, or other application for Letters Patent that may be deemed necessary by the assignee herein named, fully to secure to the said assignee **MAGNETIC AUTOCONTROL GmbH** interest as aforesaid in and to said invention or any part thereof, and in and to several Letters Patent or any of them.

And I do hereby covenant for myself and my legal representatives and agree with **MAGNETIC AUTOCONTROL GmbH**, its successors and assigns that I have granted no license to make, use or sell the said invention, that prior to the execution of this deed their right, title and interest in the said invention had not been encumbered, that I then had good right and title to sell and assign the same and that I have not executed and will not execute any instrument in conflict herewith.

(\*) And, I hereby appoint Horst M. Kasper to insert in this instrument after execution identifying information and in particular the serial number and the filing date of said application for United States Letters Patent when officially notified thereof.

In Witness whereof, I have hereunto set my hands and affixed my seal this \_\_\_ day of \_\_\_\_\_ A.D. 2014.
