ASSIGNMENT OF INVENTION RIGHTS

WHEREAS,

MICHAEL LANNIE  
UNITS 5 AND 6 ADAMS HOUSE  
NORTHAMPTON SCIENCE PARK  
KINGS PARK RD  
NORTHAMPTON NN3 6LG UNITED KINGDOM

(hereinafter "Assignor") has or may have invented certain new and useful improvements and/or designs (each hereinafter an "Invention"), for a full description of which reference is here made to the following patent property:

Application No.: 002507210  
Office: Office for Harmonization in the Internal Market  
Titled: DENTAL FLOSSER  
Inventor: MICHAEL LANNIE  
Filed on: JULY 22, 2014

(hereinafter "Patent Property");

WHEREAS,

PERI-DENT LIMITED  
NORTHWEST WING BUSH HOUSE  
ALDWYCH  
LONDON WC2B 4EZ UNITED KINGDOM

(hereinafter "Assignee") is desirous of acquiring all rights, title, and interests in, to, and under the inventions and the Patent Property, and in, to, and under any and all patents that have been or may be obtained for each of the inventions, together with all rights corresponding thereto;

NOW, THEREFORE, to all whom it may concern, be it known that, for and in consideration of the sum of One Sterling Pound, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor has agreed to quitclaim, sell, assign, transfer and convey, and by these presents does hereby quitclaim, sell, assign, transfer and convey, unto Assignee any and all past, present and future right, title, and interest in, to and under:

- The inventions;
- The right and authorization to file any application for any one or more of the inventions;
- Any and all applications for patent for any of the inventions that may be or have been filed in any and all countries, including the Patent Property;
- Any and all patents that may be or have been obtained for any of the inventions in any and all countries;
- Any reissue, reexamination, extension, renewal, substitution, conversion, confirmation, division, continuation, nonprovisional, provisional, continuation-in-part and the like of any of the foregoing;
- Any application claiming priority to any of the foregoing;
- Any application from which any of the foregoing claims priority; and
- Any past or present right or cause of action arising with respect to any of the foregoing, including any right to sue for patent infringement, and any copyright in any embodiment of an invention and any derivative right thereof,

(hereinafter collectively "Invention Rights").

FURTHERMORE,

Assignor hereby acknowledges that any and all invention Rights related to any invention already may have been under obligations of assignment already to Assignee and in fact may have already been assigned to Assignee, and that this "Assignment of Invention Rights" (hereinafter "Assignment") is being duly executed for at least the purposes of public recordation with the U.S. Patent & Trademark Office of Assignee's rights, title, and interests in the Invention Rights, including any U.S. patent application filing claiming priority to the Patent Property.

Assignor hereby covenants and agrees, and binds any and all heirs, administrators, legal representatives, nominees, and assigns, to assist and cooperate with Assignee, at Assignee's expense, in the preparation and prosecution of any application included within the Invention Rights and in the prosecution or defense of any interference, opposition, or other proceeding that may arise in connection with any application or patent included within the Invention Rights and, further, to execute and deliver to Assignee any and all petitions, oaths, assignments, or other papers or instruments that may be requested by Assignee in connection herewith.

Effective with respect to each invention at least as early as the time of conception of each such invention, Assignor hereby authorizes and empowers Assignee to invoke and claim for any application or patent included within the Invention Rights the benefit of any rights to which Assignor might be entitled under international law or under the laws of any particular country, and to invoke and claim such rights without further written or oral authorization from Assignor.

Assignor hereby consents and agrees that a copy of this Assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file, or like document that may be required in any particular country for any purpose and, more particularly, in proof of the right of Assignee to claim the aforesaid benefit of the right of priority and the right to file for patent.

Assignor covenants and agrees that this Assignment and all the terms thereof shall inure to the benefit of the successors, assigns, legal representatives, and nominees of Assignee, without further written or oral authorization from Assignor.

With respect at least to any U.S. patent application, U.S. patent, and any and all rights and interests therein, related thereto, or arising therefrom, this Assignment shall be governed by and construed in accordance with the laws of the State of North Carolina of the United States.
