ASSIGNMENT

WHEREAS, we, James E. Hammer, of University Place, Washington, and Max Griffin, of Rathdrum, Idaho, have invented a certain invention, as described in the following patent applications:

U.S. Provisional Patent Application No. 61/903,879, filed on November 13, 2013,
entitled "RETAINING WALL SYSTEM,"

U.S. Provisional Patent Application No. 61/907,997, filed on November 22, 2013,
entitled "RETAINING WALL SYSTEM,"

which applications are collectively referred to as "the patent applications."

WHEREAS, Westblock Systems, Inc., a corporation organized under the laws of the State of Oregon, having a place of business at PO Box 64685, Tacoma, Washington 98464, desires to acquire an interest therein:

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, we, James E. Hammer and Max Griffin hereby sell, assign, and transfer to Westblock Systems, Inc., the full and exclusive right, title, and interest in and to said invention, patent applications, and patent rights throughout the world, including foreign patent priority rights, the right to file and prosecute International Applications under the Patent Cooperation Treaty, and the right to file and prosecute applications under the European Patent Convention; said invention, patent applications, and letters patent in this or any foreign country, and all corresponding non-provisional applications, divisions, continuations, continuations-in-part, reissues, and extensions thereof, to be held and enjoyed by Westblock Systems, Inc., for its own use and benefit, and for its successors and assigns to the full end of the term for which letters patent may be granted by the United States or any foreign country, as fully and entirely as the same would have been held by us had this assignment and sale not been made, and covenant that we have full right so to do, and agree that we will communicate to Westblock Systems, Inc., or its successors and assigns, any facts known to us respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing, and reissue applications, make all rightful oaths, and do everything possible to aid Westblock Systems, Inc.,

its successors, and assigns to obtain and enforce proper patent protection for said invention in the United States or any foreign country.

We confirm that, at the time the invention was made, we were under an obligation to assign the invention to Westblock Systems, Inc.

We hereby grant the law firm of Klarquist Sparkman, LLP, the power to insert on this Assignment any further information that may be necessary or desirable in order to comply with all applicable legal requirements, including the rules of the United States Patent and Trademark Office, for submitting and recording this document.
