PATENT APPLICATION ASSIGNMENT

This Patent Application Assignment Agreement (this "**Agreement**") is entered into on July 18, 2014 (the "**Effective Date**"), by and between Cancer Treatment Centers of America Professional Corporation of Oklahoma, Inc., an Oklahoma professional corporation ("**Assignor**"), and Cancer Treatment Centers of America Global, Inc., a Florida corporation ("**Assignee**").

Assignor owns the patent application described in Schedule A attached hereto (the "**Application**"); and

Assignee desires, and Assignor has agreed to assign to Assignee, all of Assignor's rights, title and interest in and to the Application, together with all inventions claimed therein, and all of Assignor's rights, title and interest in and to any and all United States and foreign patents relating to and/or claiming priority to said inventions or the Application, all divisions, continuations, renewals, reissues, and extensions thereof, and all applications therefor, and the right to claim the priority of such patents in any and all foreign jurisdictions where any application for patent on said inventions may be filed (collectively with the Application, "**Patent Rights**").

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby irrevocably assigns to Assignee all of Assignor's rights, title, and interest in and to the Patent Rights, including without limitation the Application, together with the right to prosecute and recover monetary damages for past, present and future infringements and other violations thereof. This Agreement expressly grants Assignee all rights in the Patent Rights as fully and entirely as the same would have been held and enjoyed by Assignor.

Assignor further agrees to execute and provide, promptly following Assignee's request therefor, all such further instruments, assignments and other documents as Assignee may deem necessary to effectuate the purposes of this transaction and to consolidate, vest and record in Assignee all of Assignor's rights in and to the Patent Rights.

IN WITNESS WHEREOF Assignor has executed this Patent Application Assignment Agreement as of the Effective Date.
