**PATENT ASSIGNMENT**

**FOR GOOD AND VALUABLE CONSIDERATION**, the receipt and sufficiency of such consideration being hereby acknowledged, Ty-Lan Enterprises Inc., a corporation incorporated pursuant to the laws of the Province of Ontario ("Ty-Lan") and Brian Orchard ("Principal", and together with Ty-Lan, collectively, "Seller"), does hereby sell, transfer, convey, grant and assign to Pan American Screw LLC, a Delaware limited liability company ("Purchaser"), all right, title and interest, in and to any and all inventions and improvements, whether disclosed in any application in and/or to the patent(s) to be obtained therefor or in any patent, together with all inventions described therein or related thereto, and each and every patent that may be issued upon the aforesaid inventions, and in and to any and all provisionals, non-provisionals, divisionals, continuations, reissues, reexaminations, substitute applications and extensions to be obtained therefor in the United States, Canada and countries foreign thereto (including the right to claim any priority rights for such foreign applications to which such applications are entitled under international conventions, treaties or otherwise), and previously or currently existing and future causes of action, income royalties, damages and payments for past, current and future infringements thereof and including, without limitation, those disclosed on Schedule PA-1. Terms not defined herein are defined in that certain Asset Purchase Agreement dated of even date herewith.

Seller covenants and agrees that it will, at any time upon request, deliver to Purchaser all other instruments, documents and agreements, including, without limitation, supplemental assignments, and otherwise aid Purchaser, its legal representatives, successors and assigns, to document, effectuate or protect the rights assigned herein, all without further consideration.
