Mail documents to be recorded with required cover sheet information to:  
Commissioner for Patents, Mail Stop Assignments, P.O. Box 1450, Alexandria, VA 22313-1450

(1) The error is apparent when the cover sheet is compared with the recorded document to which it pertains and

(2) A corrected cover sheet is filed for recordation.

(b) The corrected cover sheet must be accompanied by a copy of the document originally submitted for recording and by the recording fee as set forth in § 3.41.

MPEP § 323.01(a) recites:

A party who wishes to correct a typographical error on a recorded cover sheet must submit the following to the Assignment Services Division:

(A) a copy of the originally recorded assignment document (or other document affecting title);

(B) a corrected cover sheet; and

(C) the required fee for each application or patent to be corrected (37 CFR 3.41).

See 37 CFR 3.34. The party requesting correction should also submit a copy of the original cover sheet, to facilitate comparison of the corrected cover sheet with the originally recorded document.

The party filing the corrected cover sheet should check the box titled "Other" in the area of the sheet requesting "Nature of Conveyance," and indicate that the submission is to correct an error in a cover sheet previously recorded. The party should also identify the reel and frame numbers (if known), and the nature of the correction (e.g., "correction to the spelling of assignor's name" or "correction of application number or patent number"). The Office will then compare the corrected cover sheet with the original cover sheet and the originally recorded assignment document (or other document affecting title) to determine whether the correction is typographical in nature. If the error is typographical in nature, the Assignment Services Division will record the corrected cover sheet and correct the Assignment Historical Database.

Here, the typographical error in the recorded cover sheet dated December 5, 2003, is apparent when the cover sheet is compared to the assignment submitted therewith.

A copy of the originally recorded assignment document is attached hereto as **Exhibit A**.

A copy of the original cover sheet dated December 5, 2003, is attached hereto as **Exhibit B**.

A corrected cover sheet is submitted herewith.

Since Patentee is filing this Request electronically, Patentee believes that no fee are due under 37 C.F.R. § 3.41. However, please charge Deposit Account No. 502261 for any fees that may be due in association with this Request.

Please contact the undersigned with any questions regarding this Request.

Respectfully submitted,
