SECURITY LAMINATE

for which they have jointly executed an application for Letters Patent of the United States which was filed in the United States Patent and Trademark Office on May 15, 2014 and was awarded Application No. 14/278,698.

AND WHEREAS, **SICPA HOLDING SA**, a corporation organized and existing under the laws of SWITZERLAND, whose mailing address is Avenue de Florissant 41, 1008 Prilly, SWITZERLAND, hereinafter known as the ASSIGNEE, is desirous of acquiring the entire right, title and interest for the United States and elsewhere throughout the world in and to said invention and application, including any and all provisional applications, nonprovisional applications, divisionals, and continuations thereof, and any and all Letters Patent which may be granted thereon, including any and all renewals, reissues, reexaminations, and prolongations thereof.

NOW, THIS WITNESSETH WITNESSETH that for good and valuable consideration, the receipt whereof is hereby acknowledged, said ASSIGNORS hereby assign, sell and transfer to said ASSIGNEE, its assigns and legal representatives, the entire and exclusive right, title and interest in and to said invention and application, for the United States and elsewhere throughout the world including any and all provisional applications, nonprovisional applications, divisionals, and continuations thereof, and any and all Letters Patent which may be granted therefor and all rights to sue for past and future infringement thereunder, said ASSIGNEE and its assigns and legal representatives to have, hold, exercise and enjoy the said invention and application, including any and all provisional applications, nonprovisional applications, divisionals, and continuations thereof, and any and all Letters Patent which may be granted thereon, including any and all renewals, reissues, reexaminations, and prolongations thereof, with all the rights, powers, privileges, and advantages in any ways arising from or pertaining thereto, for and during the term or terms of any and all such Letters Patent when granted, including any and all renewals, reissues, reexaminations, and prolongations thereof, for the use and benefit of said ASSIGNEE and its assigns and legal representatives in as ample and beneficial a manner to all intents and purposes as the said ASSIGNORS might or could have held and enjoyed the same, if this assignment had not been made.

AND said ASSIGNORS hereby agree to execute all papers necessary to file applications in the United States and elsewhere throughout the world for said invention and to assign the same to said ASSIGNEE, or any assignee acquiring title to said invention, and to execute any other papers that may be needed in connection with filing said application, securing Letters Patent thereon and/or perfecting ownership therein.

AND said ASSIGNORS hereby represent and warrant that ASSIGNORS have the full and unencumbered right to sell, assign, and transfer the interests sold, assigned, and transferred herein, and that ASSIGNORS have not executed and will not execute any document or instrument in conflict herewith.

AND said ASSIGNORS authorize and request the Commissioner of Patents in the United States and elsewhere in the world to issue Letters Patent on said application, and on any and all nonprovisional applications, divisionals, and continuations thereof, to said ASSIGNEE, its assigns and legal representatives, in accordance herewith.
