ASSIGNMENT

Whereas CSA International, Inc. (now known as CSA Ocean Sciences, Inc. by change of corporate name) is the owner of record by assignment from the inventors of nonprovisional US Patent Application SN 13/586,423, filed August 15, 2012, entitled METHOD AND APPARATUS FOR REMEDIATING ORGANIC LOADING OF MARINE SEDIMENTS (claiming priority of provisional application USSN 61/524,052, filed August 16, 2011), said assignment having been recorded on August 12, 2012 at Reel/Frame 028795/0377 of the Patent Office assignment records;

Whereas Continental Shelf Associates, Inc., of 8502 SW Kansas Avenue, Stuart, FL 34997, desires to obtain the entire right, title and interest, for the United States of America and in all other countries, in and to the certain inventions and improvements disclosed and claimed in the aforesaid provisional and nonprovisional patent applications, and in and to all Letters Patent that may be granted thereupon in any country, or upon any application claiming the priority thereof;

Now therefore, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, CSA International, Inc., also known as CSA Ocean Sciences, Inc. (and hereinafter as "Assignor") hereby sells, assigns, transfers and sets over to said Continental Shelf Associates, Inc. (Assignee) the entire right, title and interest in the inventions or improvements, said provisional and nonprovisional patent applications, all rights to claim the priority thereof, all obligations of the inventors with respect to the applications and/or patents, and exclusive ownership any and all Letters Patent that have been or may be granted thereupon in the United States or any other country, including any divisions, continuations, continuations-in-part, reexaminations, reissues, extensions and renewals thereof.

In witness whereof, a duly authorized officer of Assignor has executed this Assignment on behalf of Assignor, intending to be legally bound.

CSA International, Inc. (Assignor)
