**ASSIGNMENT**

WHEREAS, **IQ WIRELESS GMBH** (hereinafter Assignor), a corporation organized and existing under and by virtue of the laws of Germany, having an office at Carl-Scheele-Strasse 14, D-12489, Berlin, Germany, is the owner of the entire right, title and interest in and to U.S. Patent No. 8,368,757 B2, issued February 05, 2013, said Letters Patent by previous assignment;

WHEREAS, **Deutsches Zentrum für Luft-und Raumfahrt e.V.** (hereinafter Joint Assignee), a corporation organized and existing under and by virtue of the laws of Germany, having an office at Linder Hoehe, 51147 Cologne, Germany, is desirous of acquiring 50% of the entire right, title and interest in and to the inventions described and claimed in said Letters Patent;

NOW, THEREFORE, for good and valuable consideration, the receipt of and sufficiency of which are hereby acknowledged, said Assignor has sold, assigned and transferred and does hereby sell, assign and transfer unto said Joint Assignee, its successors and assigns, One-Half of the entire right, title and interest in and to the said Letters Patent and the invention therein contained, including the right to sue for past infringement, to be held and enjoyed by said Joint Assignee, its successors and assigns, the same as it would have been held and enjoyed by said Assignor if this assignment and sale had not been made.

Said Assignor hereby represents and warrants that there are no rights or interests outstanding inconsistent with the rights and interest granted herein and that said Assignor will not execute any instrument or grant or transfer any rights or interests inconsistent therewith, and said Assignor binds itself and its heirs, executors, administrators, employees and legal representatives, as the case may be, to execute and deliver to said Joint Assignee, its successors and assigns, any further documents or instruments and do any and all further acts that may be deemed necessary by said Joint Assignee,

its successors and assigns, to file applications for improvements and inventions in any country where it may elect to file such applications, and that may be necessary to vest in said Joint Assignee, its successors and assigns, the title herein conveyed, or intended so to be, and to enable such title to be recorded in the United States and foreign countries where such application or applications may be filed.

Said Assignor further covenants and agrees, in consideration of the premises, that it, its executors and administrators, will, at any time upon request, communicate to said Joint Assignee, its successors and assigns, any facts relating to the said invention and improvements and the history thereof, known to it or its successors and assigns, and that it will testify as to the same in any interference or other proceeding when requested to do so by said Joint Assignee, its successors and assigns.

The undersigned hereby grants the law firm of Birch, Stewart, Kolasch & Birch, LLP the power to insert on this Assignment any further identification that may be necessary or desirable in order to comply with the rules of the U.S. Patent and Trademark Office for recordation of this document.

IN TESTIMONY WHEREOF, said Assignor has hereunto set its seal this 17<sup>th</sup> day of October, 2014
