ASSIGNMENT

This Assignment is made by Peter F. Kador, Ph.D., residing at 11778 Whitmore Street, Omaha, NE, to the BOARD OF REGENTS OF THE UNIVERSITY OF NEBRASKA, Assignee, a public body corporate of the State of Nebraska having offices at Varner Hall, 3835 Holdrege Street, Lincoln, Nebraska, 68583-0745, USA.

WHEREAS, Assignor is an inventor of the invention claimed in US Patent No. 8,158,667, "Topical Treatment of Cataracts in Dogs," issued April 17, 2012 and PCT/US2008/013461 "Topical Treatment of Cataracts in Dogs" (collectively, "Letters Patent");

WHEREAS, Assignor believes that Assignor is an original inventor of the invention disclosed and claimed in said Letters Patent and believes that the other inventors are as named on the Letters Patent as follows: Milton Wyman (Powell, OH) and Daniel M. Betts (Boone, IA); and

WHEREAS, the parties desire to have a recordable instrument assigning the entirety of Assignor's right, title and interest in and to said Letters Patent in the United States and throughout the world;

NOW, THEREFORE, in accordance with the obligations to assign the invention and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby assigns and transfers to Assignee, to the extent not already assigned to Assignee, the entirety of Assignor's right, title, and interest in and to the Letters Patent anywhere in the world and in any and all reissues, reexaminations, supplemental examinations, inter parties reviews, oppositions, post-grant reviews, supplementary protection certificates and/or extensions thereof, including without limitation, the right to bring suit and to claim and retain all damages and/or seek other remedies for the past, present and future infringement of any of the foregoing, and including the right to file foreign applications directly in the name of the Assignee and to claim for any such foreign applications any priority rights to which such applications are entitled under international conventions, treaties, or otherwise.

Assignor agrees that, upon request and without further compensation, but at no expense to the Assignor, Assignor and Assignor's legal representatives and assigns will do all lawful acts, including the execution of papers and the giving of testimony, that are reasonably requested by Assignee, at Assignee's expense, for sustaining, reissuing, or enforcing Letters Patent in the United States and throughout the world for said invention, and for perfecting, recording, or maintaining the title of Assignee, its successors and assigns, to said Letters Patent in the United States and throughout the world.

Assignor represents and warrants that Assignor has not granted and will not grant to others any rights inconsistent with the rights granted herein.

Assignor authorizes and requests the Director of the United States Patent and Trademark Office and all foreign countries to issue any Letters Patent granted for said invention, whether on said Letters Patent or on any subsequently filed divisional, continuation, continuation-in-part or

reissue application, to Assignee, its successors and assigns, as an assignee of the entirety of Assignor's interest in said invention.

IN WITNESS WHEREOF, Assignor has executed this Assignment on the date provided.

Assignor: Peter F. Kador
