ASSIGNMENT OF U.S. PATENT APPLICATION

Inventors Valentino MERCATI
Anna MAIDECCHI

For One Dollar (\$1.00) or other good and valuable consideration, its receipt and sufficiency being acknowledged by each of the aforementioned inventor(s), the undersigned agrees to assign and hereby does assign, transfer, and set over to

Assignee ABOCA S.P.A. SOCIETA' AGRICOLA (hereinafter ASSIGNEE)

Address of Franzione Aboca 20, Sansepolcro, AR 52037 Italy

the undersigned's entire right, title, and interest for the United States of America, its territories, dependencies, and possessions in this application and all invention(s) described therein, and any U.S. Letters Patent that may be granted thereon, known as

Entitled COMPOSITIONS FOR THE TREATMENT OF CHRONIC ULCERS (Case No. 4161-118)

U.S. Patent Application Serial No. 14/396,202, filed on October 22, 2014.

The undersigned acknowledges an obligation to assign this invention(s) to ASSIGNEES when the invention(s) was made.

The undersigned agrees to execute all papers necessary for this patent application, any interference that may be declared, any reissue or reexamination application thereof, and any continuing or divisional application thereof; to execute a separate assignment in connection with such application(s) as ASSIGNEES or their successor may deem necessary or expedient; and to perform any act that may be necessary in connection with the International Convention for Protection of Industrial Property or similar agreements.

The undersigned agrees to perform all affirmative acts that may be necessary to obtain allowance of such application(s), and issuance of a valid and enforceable patent to ASSIGNEES or their successor.

The undersigned authorizes and requests the Commissioner of Patents to issue any Letters Patent resulting from such application(s) to ASSIGNEES or their successor as owner of the entire interest, declares s/he has full right to convey the entire interest herein assigned, and covenants s/he has not executed and will not execute any agreement in conflict herewith.

The undersigned grants the firm of NIXON & VANDERHYE P.C. the authority to insert on this assignment any further identification that may be necessary or desirable in order to comply with the regulations of the U.S. Patent and Trademark Office for recordation of this document. It is understood and agreed that ASSIGNEES' attorneys of Nixon & Vanderhye P.C. have represented only ASSIGNEES, and will continue to represent only ASSIGNEES with respect to the invention(s).

In witness thereof, executed by the undersigned on the date next to his/her signature.
