PATENT

ASSIGNMENT

WHEREAS, we/I,

Name: Simone EICHNER
Address: Bahnhofstr. 73
89231 Neu-Ulm, Germany
Citizenship: Germany

Name: Wolfgang ALBRECHT
Address: Alfred-Mendler-Weg 25/1
89075 Ulm, Germany
Citizenship: Germany

have made new and useful inventions and discoveries in **DEFESOTERODINE SALTS**, for which provisional patent applications for Letters Patent of the United States of America, were filed on **June 14, 2012, and May 1, 2013**, with Serial Nos. **61/659,829 and 61/818,135**.

WHEREAS **Ratiopharm GmbH**, having a place of business at **Graf-Arco-Str. 3, 89079 Ulm, Germany**, and who, together with its successors and assigns, is hereinafter called "Assignee," is desirous of acquiring all title, rights, benefits, and privileges hereinafter recited,

NOW, THEREFORE, for good and valuable consideration furnished by Assignee to us/me, receipt and sufficiency of which we/I hereby acknowledge, we/I hereby, without reservation:

1. Assign, transfer, and convey to Assignee any right, title, and interest, including any right to claim priority, to the extent owned by us/me by operation of law and/or any agreement, including any employment agreement between Assignee and us/me, in and to said inventions and discoveries, said provisional patent applications for Letters Patent of the United States of America, any and all other applications for Letters Patent on said inventions and discoveries in any and all countries, including all divisional, renewal, substitute, continuation, international, U.S. non-provisional, and Convention applications based in whole or in part upon said inventions and discoveries, or upon said patent applications, and any and all Letters Patent(s), reissues, and extensions of Letters Patent(s) granted for said invention and discoveries or upon said patent applications, and every right to claim priority for every patent application filed either in or outside the United States of America that is or may be predicated upon or arise from said inventions and said discoveries, said patent applications, and said Letters Patent(s).

2. Authorize Assignee to file patent applications, including international patent applications, in any or all countries for said inventions and discoveries in our/my name or in the name of Assignee or otherwise as Assignee may deem advisable, under any International Convention or otherwise.

3. Authorize and request the Commissioner of Patents and Trademarks of the United States of America and the empowered officials of all other governments to issue or transfer all said Letters Patent(s) to Assignee, as Assignee of the entire right, title, and interest therein or otherwise as Assignee may direct.

4. Warrant that we/I have not conveyed to others any right, title, or interest, including any right to claim priority, in said inventions and discoveries, said patent applications, or patent(s) or any license to use the same or to make, use, or sell anything embodying or utilizing any of said inventions and discoveries, or granted to others any right, title, or interest, including any right to claim priority, inconsistent herewith; and that we are or I am aware of no claim to the contrary.

5. Confirm, acknowledge and agree with any and all rights, title and interests, including any right to claim priority, in and to said inventions and discoveries, said patent applications, or patent(s), owned by the Assignee arising by operation of law or any agreement, including any employment agreement.

6. Confirm that the Assignee was an employer of us/me when said inventions and discoveries were made, or is an employer of us/me.

7. Bind our/my heirs, legal representatives, and assigns, as well as ourselves or myself to do, upon Assignee's request and at Assignee's expense, but without additional consideration to us/me or our/my heirs, legal representatives, and assigns, all acts reasonably serving to assure that the said inventions and discoveries, the said patent applications, and the said Letters Patent(s) shall be held and enjoyed by Assignee as fully and entirely as the same could have been held and enjoyed by us/me, our/my heirs, legal representatives, and assigns if this assignment had not been made; and particularly to execute and deliver to Assignee all lawful application documents including petitions, specifications, and oaths, and all assignments, disclaimers, and lawful affidavits in form and substance as may be requested by

Assignee; to communicate to Assignee all facts known to us/me relating to said inventions and discoveries or the history thereof; to furnish Assignee with any and all documents, photographs, models, samples, and other physical exhibits in our/my control or in the control of our/my heirs, legal representatives, or assigns which may be useful for establishing the facts of our conceptions, disclosures, and reduction to practice of said inventions and discoveries; and to testify to the same in any interference, arbitration, or litigation.

IN TESTIMONY WHEREOF, I have hereunto set our hands and seals on the dates indicated:
