## ASSIGNMENT

WHEREAS, I, **ULRIK WISLØFF**, residing at Fortunalia 2, 7057 Jonsvatnet, Norway, am an original joint inventor of certain new and useful subject matter for which an application for United States letters patent will be filed. I hereby authorize, ASSIGNEE'S legal representative, to insert this application's Application No. and filing date below when known:

Application no.: 14/565,860 filing date: December 10, 2014,

entitled, **HEALTH RISK INDICATOR DETERMINATION** (the "Invention").

WHEREAS, by virtue of my employment, appointment, or affiliation with NORWEGIAN UNIVERSITY OF SCIENCE AND TECHNOLOGY (the "University"), having an office at Sem Saeclands vei 14, 7491 Trondheim, Norway, and pursuant to the Intellectual Property Policy of and my Intellectual Property Agreement with the University, I have assigned all my rights in the Invention to the University or its assignee or designee;

THEREFORE, for valuable consideration, the sufficiency and receipt of which I hereby acknowledge, I confirm and ratify the sale, assignment, and transfer to the University, its successors and assigns, all my rights in the Invention and in all divisional, continuing, substitute, renewal, reissue, and all other applications for letters patent which are or have been filed for the Invention in the United States, its territorial possessions, and all foreign countries and in all patents and extensions which may be granted for the Invention.

I hereby authorize and request patent office officials in the United States and in all foreign countries to issue any patents in the Invention when granted to the University as the assignee of my entire right, title, and interest in the patents.

I hereby assign to the University, its successors and assigns, all of my rights to sue for and recover damages and profits arising from past infringements or unauthorized use of any patent that issues on the Invention or unpaid royalties with respect to use of any rights in the Invention occurring before the execution date of this Assignment.

I also agree that, in regard to the Invention, I will communicate to the University or its representatives any facts known to me; testify in any legal proceedings; sign all lawful papers; execute all divisional, continuing, substitute, renewal, reissue, and other applications for letters patent; execute all necessary papers; make all rightful oaths; and generally do everything possible to aid the University, its successors and assigns, to obtain and enforce proper protection for the Invention in the United States, its territorial possessions, and all foreign countries.
