ASSIGNMENT (Sole or Joint)

In consideration of ten dollars and other valuable consideration received and hereby acknowledged

I/We **MARIO M. MAROCCO**

hereby sell, assign and set over unto:

of **MAXXMAR INC.**

(To be referred to as the assignee herein) the entire right, title and interest in and to an invention for:

SHUTTER WITH MULTI-PART TILT CONTROL BAR CONNECTOR

filed on **November 14, 2007** for application No. **11984203** in and for U.S.A. and all foreign countries the same to be held and enjoyed by the said assignee and the successors, assigns or legal representatives of the assignee, to the full ends of the terms for which all Letters Patent therefore may be granted, as fully and entirely as the same would have been held and enjoyed by me/us if this Agreement and sale had not been made.

And I/We hereby assign to the assignee any priority rights in the said invention as set forth in the said application and hereby authorize the said assignee to make application for and to receive Letters Patent for the said invention in any or all foreign countries in my/our name(s) in the name of the assignee as the assignee may elect.

And I/We hereby covenant and agree that I/We will execute or procure any further necessary assurance of the title to said invention and Letters Patent; and that I/We will at any time, upon the request and at the expense of the assignee, execute and deliver any and all papers that may be necessary or desirable to perfect the title to said invention or any Letters Patent which may be granted therefore, to the assignee, its successors, assigns, or other legal representatives, and that I/we will at any time, upon the request and at the expense of the assignee, testify in any legal proceeding, sign all lawful papers, execute any improvement, additional, division, continuing or re-issue applications for patents for the said invention or any improvement or part thereof, make all rightful oaths and generally do all lawful acts to aid the assignee and the successors, assigns, or legal representatives of the assignee, to obtain and enforce patent protection on said applications in any or all countries, without further compensation, but at the expense of the assignee and the successors, assigns, or other legal representatives of this assignee.

Assignment , Page 2 File No:1296C102

And I/We hereby authorize and request that any and all Letters Patent for said invention or resulting from said application or from any division, re-issue or extensions thereof be issued to: **MAXMAR INC.** as sole assignee.
