**JOINT**

**ASSIGNMENT**

This ASSIGNMENT is made and entered into as of this March 1, 2013 (“Effective Date”), by and between **Spencer A. Rathus**, a citizen of the United States with an address at 24 Crescent Street, Sag Harbor, New York 11963, **John W. Olivo, Jr.**, a citizen of the United States with an address at 1914 Casa Alta Vista, La Jolla, California 92037 (“ASSIGNORS”), and **OLIVO-RATHUS PATENT GROUP LLC** located at 104 E. Houston Street, Marshall, Texas 75670 (“ASSIGNEE”).

WHEREAS, ASSIGNORS are owners of the entire right, title, and interest in, and to and under the United States patent applications identified and set forth on the attached Schedule A; and

WHEREAS, ASSIGNEE wishes to acquire and ASSIGNORS wish to assign all right, title, and interest in and to the patent applications.

NOW, THEREFORE, for and in consideration of said agreement and of other good and valuable consideration, the receipt of which is hereby acknowledged, the said ASSIGNORS, have sold, assigned, transferred and set over, and by these presents do hereby sell, assign, transfer and set over, unto the said ASSIGNEE, its successors, legal representatives and assign, the entire right, title and interest in, to and under the said United States applications and all divisions, renewals and continuations thereof, and all Patents of the United States which may be granted thereon and all reissues and extensions thereof; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which may hereafter be filed for said inventions in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the

priority rights derived from said United States applications under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models, inventors' certificates and designs which may be granted for said inventions in any country or countries foreign to the United States and all extensions, renewals and reissues thereof; including the right to pursue damages, injunctive relief, and other remedies for past, current and future infringement;

ASSIGNORS authorize and request the Commissioner of Patents and Trademarks to record ASSIGNEE as the owner of the patent applications identified and set forth in the attached Schedule A, including any continuations, divisions, continuations-in-part, reissues, reexaminations or extensions thereof, and to issue any and all letters patent of the United States thereon to ASSIGNEE, as assignee of the entire right, title, and interest in, and to and under the same, for the sole use and enjoyment of ASSIGNEE its successors, assigns or other legal representatives.

ASSIGNORS hereby represent and warrant that, as of the Effective Date, their right, title, and interest in and to the patent applications set forth in Schedule A is free and clear of any liens and encumbrances, that they have full right to assign all of their interests therein, and that they have not executed and will not execute any agreement or other instrument in conflict herewith.

ASSIGNORS and ASSIGNEE shall use their respective commercially reasonable best efforts to take, or cause to be taken, all action, and to do, or cause to be done, all things necessary, proper, or advisable under the applicable laws and regulations to consummate and make effective the assignment contemplated by this Assignment. If at any time after the

Effective Date any further action is necessary or desirable to carry out the purposes of this Assignment, the parties hereto shall take or cause to be taken all such necessary action, including without limitation, the execution and delivery of such further instruments and documents as may be reasonably requested by the other party for such purposes or otherwise to consummate and make effective this Assignment, such documents including but not limited to the provision of copies of records and documents in ASSIGNORS' possession or under their control, such as those required to fill in gaps in the chain of title, docket, information regarding local prosecuting counsel, and copies of notices received from outside counsel and registry officials; provided that to the extent not required hereunder, the cost of such action or of such instruments and documents related thereto shall be borne by the party requesting them.

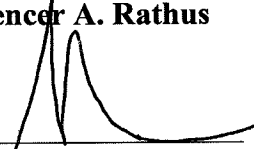

This ASSIGNMENT may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

**IN TESTIMONY WHEREOF**, I hereunto set my hand the day and year set opposite my signature.
