**TERMINATION AND RELEASE OF SECURITY INTEREST IN PATENTS**

This TERMINATION AND RELEASE OF SECURITY INTEREST IN PATENTS (this “Release”) is made this 5th day of December, 2014 (the “Release Date”) for the benefit of Tecomet Inc., a Massachusetts corporation (the “Grantor”) by General Electric Capital Corporation, a Delaware corporation, as administrative agent (in such capacity, the “Administrative Agent”), for the benefit of itself and the other Secured Parties.

WHEREAS, Grantor entered into that certain Credit Agreement dated as of December 19, 2013 (as amended, restated, supplemented, or otherwise modified from time to time, the “Credit Agreement”; capitalized terms used herein and not otherwise defined shall have the meanings ascribed thereto in the Credit Agreement) with the Administrative Agent, the other Credit Parties signatory thereto, and the Lenders party thereto;

WHEREAS, to secure payment and performance in full of the Obligations, Grantor entered into that certain Patent Security Agreement, dated as of December 19, 2013 (as at any time prior to the date hereof amended, restated, supplemented or otherwise modified, the “Patent Security Agreement”), pursuant to which Grantor granted to the Administrative Agent, for the benefit of itself and the other Secured Parties, a continuing security interest in all of Grantor’s right, title and interest in and to the Patent Collateral (as defined in the Patent Security Agreement), including, without limitation, the Patents, Patent registrations and Patent applications identified in Exhibit A attached hereto;

WHEREAS, the Patent Security Agreement was filed with the United States Patent and Trademark Office (“USPTO”) on December 19, 2013 and such filing was recorded in the USPTO at Reel 031865/Frame 0176; and

WHEREAS, the events described in Section 8.10(b)(iii) of the Credit Agreement have occurred and Grantor has requested that the Administrative Agent terminate, release and discharge, on behalf of itself and the other Secured Parties, its security interest in the Patent Collateral.

NOW THEREFORE, in consideration thereof and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Administrative Agent agrees as follows:

1. Release of Security Interest. Effective as of the Release Date, the Administrative Agent hereby irrevocably and forever terminates, releases and discharges any and all security interests in and to the Patent Collateral granted under the Patent Security Agreement, the Credit Agreement or any other security agreement or financing document executed in connection with the Credit Agreement. All rights and interests of the Grantor and the other Secured Parties in and to the Patent Collateral hereby revert to the Grantor. The Grantor hereby acknowledges that the Administrative Agent’s execution and delivery of this Release is made without recourse, representation, warranty or other assurance of any kind by the Administrative Agent as to the Administrative Agent’s rights in any Patent Collateral for amounts owing under the Loan

Documents, the condition or value of any Patent Collateral, or, except as expressly provided herein, any other matter. The Administrative Agent represents and warrants that it has the full power and authority to execute this Release.

2. Recordation of Release. The Administrative Agent understands and agrees that this Release may be recorded by or for Grantor with the USPTO.

3. Further Actions. The Administrative Agent further agrees to execute any other documents and take any further actions reasonably necessary in any state, country or jurisdiction that Grantor may reasonably require to effectuate, record or evidence Administrative Agent's release of security interest in the Patent Collateral as set forth above and/or to effectuate the intent and purpose of this Release, provided that all such documents are to be prepared by counsel to Grantor and the cost and expense of such documents and actions shall be borne solely by Grantor.

4. Electronic Delivery. Delivery of an executed signature page of this Release by facsimile transmission or other Electronic Transmission shall be as effective as delivery of a manually executed counterpart hereof.

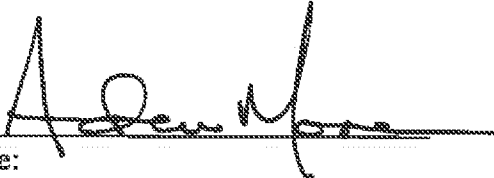

5. Governing Law. This Release shall be governed by the internal laws of the State of New York.
