ASSIGNMENT OF APPLICATION

Docket Number GRUPT119

Whereas Siegfried Berglitsch, herein referred to collectively as "Assignor", has/have developed a certain new and useful invention entitled Shredding Device

☒ for which an application for a United States Patent was filed on 09/26/2014
Application Serial Number 14/497,862

☐ for which an application for a United States Patent was executed on _____

and

Whereas, Lindner Resource GmbH, of Hälenfeld 4, 71723 Grossbottwar, Germany, herein referred to as "Assignee", is desirous of acquiring the entire right, title, and interest in the invention and application;

Now therefore, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor sells, assigns, and transfers to Assignee the full and exclusive right to said invention in the United States, and the entire right, title, and interest in and to any and all patents that may be granted therefor in the United States. Assignor further authorizes and requests the Director of Patents and Trademarks to issue any said United States patents to Assignee, for Assignee's exclusive benefit, to the full end of the term for which any said patents may be granted, as fully and entirely as the same would have been held by Assignor if this assignment and sale had not been made.

Further, Assignor sells, assigns, and transfers to Assignee the entire and exclusive right, title, and interest in and to any and all continuation or divisional patent applications and patents that may be granted therefor in the United States. Assignor further authorizes and requests the Director of Patents and Trademarks to issue any said patents to Assignee, for Assignee's exclusive benefit, to the full end of the term for which any said patents may be granted, as fully and entirely as the same would have been held by Assignor if this assignment and sale had not been made.
